Notes :

1. Sadbhav Infrastructure Project Limited ('the Company') is engaged in development, construction as well as operation and maintenance of infrastructure projects. The Company undertakes infrastructure development projects directly or indirectly through Special Purpose Vehicles (SPVs), in terms of the concession agreements.
2. The aforesaid audited standalone financial results for the quarter and the year ended March 31, 2020 have been reviewed and recommended by the audit committee and approved by the Board of Directors at their meeting held on July 06, 2020. The results are prepared in accordance with the Indian Accounting Standards (IND AS) as prescribed under section 133 of the Companies Act, 2013. The statutory auditors have carried out audit of the same.
3. The Company has single reportable segment (operating segment) i.e Build Operate and Transfer (BOT) / Annuity Projects and its related activities in accordance with Indian Accounting Standard - 108 "Segment Reporting".
4. a. Pursuant to the definitive share purchase agreement ('the agreement') dated July 1, 2019 with IndInfra Trust, the entire equity shareholding in seven of its subsidiary companies i.e. Bijapur Hungund Tollway Private Limited, Aurangabad Jalna Tollway Limited, Hyderabad Yadgiri Tollway Private Limited, Dhule Palesner Tollway Limited, Nagpur Seoni Expressway Limited, Shreenathji Udaipur Tollway Private Limited, Bhilwara Rajsamand Tollway Private Limited and Mysore Bellary Highway Private Limited (MBHPL), a subsidiary of Parent company i.e. Sadbhav Engineering Limited (SEL) have been transferred to IndInfra Trust with effect from 14th February, 2020. This has resulted into profit of INR 6,275.77 million which have been disclosed as exceptional item. Further, the net gain on assets carved out during the purchase of these subsidiaries amounting to INR 103.70 million has been included under 'other income'.

Further, the condition precedents mentioned in the agreement such as regulatory approvals, lender's consent, other customary approvals with respect to one entity i.e. Ahmedabad Ring Road Infrastructure Limited (ARRIL), is in process as at reporting date and accordingly, investments in this subsidiary company has been classified as assets held for sale in accordance with Ind AS 105 – "Non-Current Assets Held for Sale and Discontinuing Operations".

- b. The concession agreements with National Highway Authority of India (NHAI) are terminated in case of Sadbhav Tumkur Highway Private Limited (STHPL), Sadbhav Vizag Port Road Private Limited (SVPRPL) and Sadbhav Bhimasar Bhuj Highway Private Limited (SBBHPL) during the year, due to non availability of required 80% right of way (ROW) by NHAI within the stipulated time period as a consequence of which, these subsidiaries were inoperative. The provision made for carrying value of Investment in these subsidiaries amounting to INR 77.72 million is disclosed under exceptional item.
- c. The exceptional item for the year ended 31 March 2019 amounting to INR 152.95 million was towards the settlement of claim between the Company and minority shareholders of Bijapur Hungund Tollway Private Limited ('BHTPL') pursuant to settlement agreement dated October 20, 2018.
5. The Company has investments of INR 325.42 million and subordinate debts of INR 7,582.15 million in its 2 subsidiaries engaged in construction, operation and maintenance of infrastructure projects under concession agreement with National Highways Authorities of India. The net worth of these subsidiary companies has fully eroded. Considering the gestation period required for break even for such infrastructure investments, expected higher cash flows based on future business projections, claims of INR 11,905.30 million lodged in terms of conditions of concession agreements which is backed by legal opinion on tenability of the claim, debt refinancing, internal plan of revival to meet its dues and obligations and the strategic nature of these investments, the management believes that the networth of these entities would become positive in due course. Considering the same, no provision/adjustment to the carrying value of Investments and subordinate debts and loans and advances as at March 31, 2020 is considered necessary at this stage.

Considering the above pending claims and revival plans, the company has decided to grant waiver from payment of interest accrued till December 31, 2019 amounting to INR 1,179.85 million and converted outstanding unsecured loan to sub-ordinate debts in these 2 subsidiary companies to support the operational ability of these subsidiaries. Pursuant to the waiver, the outstanding interest receivable has been written off in statement of profit and loss account and has been included under 'balances written off'.

6. Finance cost includes interest of INR 182.56 million, INR 259.14 million and INR 158.86 million for the quarter ended March 31, 2020, December 31, 2019 and March 31, 2019 respectively, INR 919.95 million and INR 602.65 million for the year ended March 31, 2020 and March 31, 2019 respectively, paid to Sadbhav Engineering Limited (Parent company or SEL) on Short term loans given by SEL.

Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the Statement that gives a true and fair view of the net profit and other comprehensive income of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to

continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

- 10 The listed non-convertible debentures of the Company aggregating INR 3,962.00 million outstanding as on March 31, 2020 are secured by way of corporate guarantee of Sadbhav Engineering Limited (SEL), the holding Company, first ranking charge created on shares of certain subsidiaries held by the company and of SEL. The asset cover thereof exceeds hundred percent of the principal amount of the said debentures.
- 11 The Group has a single reportable segment (operating segment) i.e Build Operate and Transfer (BOT)/Annuity Projects and its related activities in accordance with Indian Accounting Standard - 108 "Segment Reporting".
- 12 The group has certain operational subsidiaries having accumulated losses, which has resulted into erosion net-worth of those subsidiaries. Such operational subsidiaries are expected to achieve adequate profitability as per the future traffic projections by way of increase in traffic and reduction in finance costs through repayment/refinancing of loan during their respective project tenure. There have also been favourable arbitration claims received by these subsidiaries in the past and have further lodged claim amounting to INR 11,905.30 Million during the year, the tenability of which, as per concession agreement, is backed up by a legal opinion. As mentioned in the note 4 above, during the year, the parent company has completed sale of seven SPV's at a value higher than their carrying cost and also is in the process of closing sale of one more on similar terms. Although the group has negative working capital at the year end, considering the above reasons, internal plan of revival and the continuing unconditional financial support offered to the Group from the holding company i.e. Sadbhav Engineering Limited (SEL) including proposed plan for its merger with SEL, the group will be able to meet/will continue to meet their financial obligations in the ordinary course of the business.
- 13 The Group has adopted Ind AS 116 'Leases' which is effective for annual periods beginning on or after April 1, 2019 using modified retrospective approach. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on balance sheet model similar to the accounting for finance leases under Ind AS 17. The adoption of the standard, however did not have any material impact with regards to recognition of Right of Use (ROU), loss for the period/year end and earnings per share for the respective year.
- 14 The Group has re-assessed tax benefit under the Taxation Laws (Amendment) Ordinance, 2019 (the ordinance) dated September 20, 2019 and opted option available under the ordinance except in case of 3 subsidiary companies where rates as per old regime are continue. The consequential tax impact of the same has been given in the results for the quarter and year ended March 31, 2020.
- 15 The concession agreements with National Highway Authority of India (NHAI) are terminated in case of Sadbhav Tumkur Highway Private Limited (STHPL) during the quarter and Sadbhav Vizag Port Road Private Limited (SVPRPL) and Sadbhav Bhimasar Bhuj Highway Private Limited (SBBHPL) during the year due to non availability of required 80% right of way (ROW) by NHAI within the stipulated time period due to which, the said subsidiaries will be inoperative.
- 16 The Group has carrying value of intangible assets of INR 26,271.85 million in its 2 subsidiaries engaged in construction, operation and maintenance of infrastructure projects under concession agreement with National Highways Authorities of India. The net worth of these subsidiary companies has fully eroded as per their latest financial statement. Considering the gestation period required for break even for such infrastructure investments, expected higher cash flows based on future business projections, claims of INR 11,905.30 million lodged in terms of conditions of concession agreements which is backed by legal opinion on tenability of the claim, debt refinancing, internal plan of revival to meet its dues and obligations and the strategic nature of these investments, basis which the management believes that the networth of these entities would become positive in due course. Considering the same, no provision/adjustment to the carrying value of intangible assets as at March 31, 2020 is considered necessary at this stage.
- 17 The Board of Directors at their meeting dated October 19, 2019 have approved a scheme of merger and arrangement with Sadbhav Engineering Limited (SEL - the holding company) under Section 230 to 232 of Companies Act 2013, subject to the regulatory approvals required whereby, the company will merge into the holding company. The holding company's management is in the process of carrying out necessary procedures in this regards.
- 18 The figures of the quarter ended March 31, 2020 and March 31, 2019 are balancing figures between the audited figures in respect of the full financial year upto March 31, 2020 and March 31, 2019 and the unaudited published year to date figure up to third quarter ended December 31, 2019 and December 31, 2018 respectively, being the date of the end of the third quarter of the financial year which were subjected to limited review.
- 19 Statement of audited Cash flow for the year ended March 31, 2020 and March 31, 2019 is given in Annexure 1.
- 20 Figures for the previous periods have been regrouped / rearranged, wherever necessary, to make them comparable with those of the current period.
