S J Logistics (India) Limited

About S J Logistics (India) Limited

S J Logistics (India) Ltd ("SJL") is a globally recognized logistics service provider with over two decades of industry experience. Specializing in freight forwarding, transportation, warehousing, Non-Vessel Operating Common Carrier (NVOCC) services, and customs clearance, SJL operates on an asset-light model. This enables the company to collaborate with a vast network of partners, ensuring reliable, efficient, and timely freight solutions across the globe.

Safe Harbour Statement

Any forward-looking statements about expected future events, financial and operating results of the Company are based on certain assumptions which the Company does not guarantee the fulfilment of. These statements are subject to risks and uncertainties. Actual results might differ substantially or materially from those expressed or implied. Important developments that could affect the Company's operations include a downtrend in the industry, global or domestic or both, significant changes in political and economic environment in India or key markets abroad, tax laws, litigation, labour relations, exchange rate fluctuations, technological changes, investment and business income, cash flow projections, interest, and other costs. The Company does not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date thereof.
