**Ref: Symbol: SKMEGGPROD**

.....

With reference to the above subject, we would like to clarify that

**Segment details not submitted**

our company is engaged in the manufacturing and marketing of various egg-based products in powder and liquid form and eggs.

Moreover, our company also operates certain poultry farms to produce eggs. Also, the company has certain feed mills for manufacturing the poultry feeds which serves as a food for the poultry birds reared in the poultry farms for production of eggs.

The said poultry farms and feed mills are operated as a backward integration for supplementing the manufacturing activity and does not constitute exclusive and independent segments or divisions. Hence, our company business activities involve only one business which is the manufacturing and marketing of egg products and eggs.

Accordingly, there are no reportable segments for both Standalone & Consolidated financial results for the quarter ended 30<sup>th</sup> Jun 2025. Due to this, no segment report was given.

Kindly take on record the same in your records.

Thanking You

Yours faithfully
