ANNUAL REPORT
FY 2025 - 26

Company Overview

INCORPORATED

1991

SKP Bearing Industries Limited has developed a strong industrial presence through manufacturing specialization, export activities, and operational expansion across domestic and international markets.

CORE PRODUCT CATEGORIES

- Needle Rollers • Cylindrical Rollers • Industrial Steel Balls
- Precision Pins • Satellite Balls

The company manufactures industrial bearing components catering to automotive, engineering, and industrial applications.

BUSINESS OPERATIONS

- OEM Supply • Export Manufacturing • Industrial Components
- Global Distribution

Operations support domestic manufacturing requirements along with export business activities across multiple regions.

MANUFACTURING PRESENCE

INDIA

- Wadhwan Facility • Lakhtar Facility • Plant III Surendranagar Facility

Manufacturing facilities support integrated production activities and product development operations.

FRANCE

- La Talaudière Facility

The France operations support customer servicing and European business coordination activities.

RENEWABLE ENERGY ASSETS

- Wind Energy • Solar Energy • PM Kusum Solar Operations

The company continues focusing on renewable energy utilization aligned with operational sustainability initiatives.

About SKP

SKP Bearing Industries Limited continued expanding its manufacturing capabilities and international industrial presence during FY 2025-26 through operational development, export coordination, and manufacturing integration activities.

During FY 2025-26, Plant III at Surendranagar was further developed as a dedicated steel ball manufacturing facility, supporting future production expansion.

During the financial year, Plant III at Surendranagar advanced as a dedicated steel ball manufacturing facility supporting future manufacturing requirements and product portfolio expansion.

SKP also participated in Bharat Mobility Global Expo 2025, presenting its industrial capabilities to OEMs, engineering companies, and export representatives across automotive and industrial sectors.

OUR VISION:

Our vision is to become the premier supplier for global enterprises, leading the world in precision products while contributing to the well-being of our planet.

OUR MISSION:

Our mission is delivering exceptional products and services. We achieve this through unwavering commitment to quality, reliable service, continuous innovation and effective solutions, positioning us as the ultimate choice for our customers. Guided by our family enterprise values, we focus on sustainability, creating long-term differentiators. As an aggregator of global best practices and resources, a consolidator of facilities, technologies, processes, product portfolios, and a value-driven player, we strive to foster a growth mindset and create sustainable value for all stakeholders.

CORE PRINCIPLES:

SKP Bearing Industries Limited continued expanding its manufacturing capabilities and international industrial presence during FY 2025-26 through operational development, export coordination, and manufacturing integration activities.

The company operates across India and France with manufacturing specialization in needle rollers, cylindrical rollers, industrial steel balls, satellite balls, and precision pins catering to automotive and industrial sectors.

During the financial year, Plant III at Surendranagar advanced as a dedicated steel ball manufacturing facility supporting future manufacturing requirements and product portfolio expansion.

SKP also participated in Bharat Mobility Global Expo 2025, presenting its industrial capabilities to OEMs, engineering companies, and export representatives across automotive and industrial sectors.

INTEGRITY

Operational transparency and ethical business practices remain central across organizational activities.

OWNERSHIP

Teams participate with accountability across operational and manufacturing functions.

DEDICATION

Continuous industrial improvement and customer-focused operations remain important organizational priorities.

LOYALTY

Long-term relationships with customers, employees, and business associates remain integral to the company culture.

INNOVATION

Manufacturing systems and operational processes continue evolving through technology and industrial advancements.

SUSTAINABILITY

Renewable energy utilization and responsible operational practices support long-term environmental objectives.

CERTIFICATIONS

These certifications support our manufacturing systems in line with international industrial standards.

Chairman & Managing Director's Message

FY 2025-26 represented an important operational year for SKP Bearing Industries Ltd., with expansion across manufacturing infrastructure, international business coordination, and industrial operations.

The development of Plant III at Surendranagar supported the company's steel ball manufacturing expansion, while France operations supported European customer coordination and export servicing activities.

Participation in Bharat Mobility Global Expo 2025 facilitated industrial networking, OEM discussions, and collaboration across automotive and industrial sectors.

The company also focused on renewable energy utilization, operational systems, manufacturing integration, and long-term industrial expansion initiatives.

We thank our customers, employees, shareholders, and business associates for their support.

Shrinand K. Palshikar

Chairman & Managing Director,
SKP Bearing Industries Ltd.

Key Developments

Global Presence & Manufacturing Infrastructure

INDIA OPERATIONS

Manufacturing facilities at Wadhwan, Lakhtar, and Surendranagar support integrated production activities across multiple industrial product categories and engineering applications.

FRANCE OPERATIONS

The La Talaudière facility supports customer coordination, export servicing activities, and regional industrial engagement across European markets.

CAPACITY EXPANSION

Plant III at Surendranagar has been developed as a dedicated steel ball manufacturing facility supporting future manufacturing expansion activities and production integration systems.

Bharat Mobility Global Expo 2025

SKP Bearing Industries Limited participated in Bharat Mobility Global Expo 2025 to present its manufacturing capabilities and industrial product portfolio across automotive and engineering sectors.

PRODUCT SHOWCASE

Steel Balls | Needle Rollers | Cylindrical Rollers | Precision Pins | Satellite Balls

The exhibition supported industrial visibility, OEM discussions, export engagement, and engineering collaboration opportunities.

BUSINESS ENGAGEMENT

The participation facilitated networking with automotive manufacturers, industrial buyers, engineering companies, and export representatives across multiple sectors.

Product Portfolio

NEEDLE ROLLERS

Manufactured for bearing assemblies and industrial applications requiring dimensional consistency and rotational stability.

CYLINDRICAL ROLLERS

Industrial components supporting automotive systems, heavy engineering, and machinery applications.

PRECISION PINS

Produced for engineering assemblies requiring controlled dimensional specifications.

INDUSTRIAL STEEL BALLS

Manufactured for bearing systems, automotive applications, and industrial engineering requirements.

SATELLITE BALLS

Specialized bearing components supporting industrial and engineering applications.

NEEDLE ROLLERS

CYLINDRICAL ROLLER

PINS

INDUSTRIAL STEEL BALLS

SATELLITE BALLS

Industries Served

SKP Bearing Industries Limited supports multiple industrial sectors through manufacturing systems aligned with engineering and industrial application requirements.

AUTOMOTIVE

Components supporting automotive manufacturing and bearing systems.

EV COMPONENTS

Industrial applications associated with electric mobility systems.

RAILWAYS

Engineering components supporting railway infrastructure and mobility systems.

INDUSTRIAL MACHINERY

Components utilized across machinery and industrial manufacturing systems.

RENEWABLE ENERGY

Applications associated with renewable energy equipment and systems.

TEXTILE MACHINERY

Industrial components supporting textile production infrastructure.

MEDICAL EQUIPMENT

Selected engineering applications supporting medical equipment manufacturing.

AEROSPACE APPLICATIONS

Industrial applications supporting specialized engineering systems.

ROBOTICS & AUTOMATION

Components utilized within industrial automation and robotics systems.

Operational Advancements

FY 2025–26 included multiple operational development initiatives across manufacturing systems and production infrastructure.

PLANT III DEVELOPMENT

Dedicated steel ball manufacturing facility expansion at Surendranagar supporting additional manufacturing capabilities.

PROCESS IMPROVEMENTS

ERP integration, production monitoring systems, and operational coordination activities supporting manufacturing management.

MANUFACTURING SYSTEMS

Automation enhancements and production scalability initiatives across manufacturing facilities.

INSPECTION INFRASTRUCTURE

Integrated grading, inspection, and monitoring systems supporting industrial manufacturing activities.

Testing & Quality Infrastructure

SKP Bearing Industries Limited maintains inspection and validation systems supporting manufacturing quality procedures and industrial production requirements.

TESTING SYSTEMS

SURFACE TESTING

Inspection procedures supporting surface evaluation and manufacturing verification.

ROUNDNESS TESTING

Dimensional monitoring systems supporting production validation activities.

HARDNESS TESTING

Material testing systems supporting industrial quality procedures.

EDDY CURRENT TESTING

Inspection systems supporting manufacturing verification processes.

PROFILE INSPECTION

Dimensional inspection activities supporting production consistency.

DIMENSIONAL VALIDATION

Measurement systems supporting industrial manufacturing requirements and component verification.

Business Performance Snapshot

A Year of Expansion Across Markets and Product Categories

FY 2025-26 marked a period of substantial business growth for SKP Bearing Industries Limited. Capacity additions, broader export penetration, strengthening customer relationships, and contributions from international operations supported a significant increase in revenue across the organization.

The commissioning of Plant III, expansion of steel ball manufacturing capabilities, and increasing participation in international industrial supply chains contributed to higher business volumes during the year. Operations in India and France collectively widened market access across automotive, industrial machinery, renewable energy, pharmaceutical, and engineering sectors.

Export Business Progress

International markets remained an important source of business activity during FY 2025-26.

Key developments included:

Exports remained a major contributor to manufacturing utilization across roller and steel ball product categories.

Product Segment Contribution

Manufacturing Portfolio

Needle Rollers

Core product category serving automotive and industrial applications.

Cylindrical Rollers

Widely supplied to bearing manufacturers and industrial customers.

Industrial Steel Balls

Strategic growth segment supported by Plant III commissioning.

Precision Pins

Specialized engineering components serving multiple industrial sectors.

Satellite Balls

Advanced precision products catering to niche engineering requirements.

Product Mix Evolution

FY 2025-26 witnessed growing focus :

- Steel balls • Export-focused roller products • High-value engineering components
- International customer-specific product requirements

OEM Business Growth

The company expanded its OEM customer base across multiple sectors.

Key business segments included:

	Automotive manufacturers		EV component manufacturers
	Industrial machinery producers		Railway equipment manufacturers
	Renewable energy equipment suppliers		Engineering component companies

Long-term customer relationships supported volume growth while improving product diversification across industries.

International Operations Contribution

France Operations

The La Talaudière facility strengthened SKP's international presence during FY 2025-26.

Renewable Energy & Sustainability

Building Manufacturing Efficiency
Through Sustainable Operations

SKP Bearing Industries Limited has expanded renewable energy integration across its manufacturing operations through investments in wind and solar power assets. These initiatives support energy optimization, efficient manufacturing operations, and long-term resource management across production facilities.

The company's renewable energy portfolio complements manufacturing activities while supporting stable power availability and efficient energy utilization across its facilities.

Renewable Energy Portfolio

Wind Energy Operations

The company maintains wind energy assets that contribute to renewable power generation and support overall energy requirements.

Key objectives include:

- Diversification of energy sources
- Reduction in dependence on conventional power procurement
- Enhanced energy stability for manufacturing operations
- Long-term energy cost optimization

Solar Energy Operations

Solar energy assets support the company's renewable energy framework and contribute toward sustainable power generation.

- Renewable power generation
- Improved energy efficiency
- Utilization of solar resources across operational infrastructure
- Support for long-term environmental objectives

Responsible Waste Management

Manufacturing activities are supported by structured waste handling and disposal practices aligned with applicable regulatory requirements.

Focus areas include:

- Segregation practices
- Disposal monitoring
- Material recovery opportunities
- Compliance-oriented waste management

Green Operational Practices

The company continues to strengthen operational systems that contribute to efficient utilization of resources across manufacturing facilities.

Current Focus Areas

- Renewable energy utilization
- Energy conservation initiatives
- Resource optimization programs
- Process efficiency enhancement
- Environmental monitoring
- Utility consumption management
- Manufacturing system improvements

Sustainability Perspective

As manufacturing capacity expanded through initiatives such as Plant III and growing international operations, renewable assets became an integral part of the company's operations. Wind and solar power generation, resource optimization, responsible resource management, and environmental monitoring initiatives form key elements of SKP Bearing Industries Limited's long-term operational strategy.

ESG & CSR Initiatives

Established in 2017, Shri Foundation serves as the philanthropic arm of SKP Bearing Industries Limited. The foundation was created with the objective of connecting industrial growth with

meaningful social impact through initiatives focused on community welfare, education, sustainability, cultural preservation, and livelihood development.

Future Outlook FY 2026-27

SKP Bearing Industries Limited enters FY 2026-27 with a larger production footprint, wider international reach, and growing opportunities across domestic and export markets. The Company remains focused on increasing throughput, widening customer engagement, and advancing its position within the global precision engineering sector.

Plant III

The Jamar plant commenced commercial activity during March 2026 and is expected to contribute progressively over the coming quarters. The unit adds dedicated steel ball production and broadens the Company's product mix.

France Business

The France subsidiary has completed its first full year within the Group. Management has reported improvement in revenue and margins, creating momentum for further growth across European markets.

The business also provides access to established industrial customers while opening opportunities beyond conventional automotive applications.

Roller Plant Enhancement

Following the transfer of steel ball production to Jamar, additional space became available at the roller unit. This has enabled the commencement of capacity augmentation across roller product lines.

Export Opportunities

The France-India business model provides a platform for deeper engagement with international customers. The Company intends to expand export volumes, widen market coverage, and increase participation across global supply chains.

Focus Areas

- Contribution of the Jamar plant
- Steel ball business growth
- Export market penetration
- France business progression
- Roller line augmentation
- Digital systems and process improvements
- Customer diversification

Way Forward

With additional production infrastructure, wider market access, and increasing integration between India and France, SKP Bearing Industries Limited remains focused on sustainable growth, product diversification, and broader participation across international markets.

Notes:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 ("the Act"), setting out all material facts relating to the Special Business to be transacted at the Annual General Meeting ("AGM"), is annexed to this Notice.
2. A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF, AND THE PROXY NEED NOT BE A MEMBER OF THE COMPANY. A proxy form is annexed to this Notice. A person can act as proxy on behalf of Members not exceeding 50 and holding in the aggregate not more than 10% of the total share capital of the Company carrying voting rights. A Member holding more than 10% of the total share capital of the Company carrying voting rights may appoint a single person as proxy, and such person shall not act as proxy for any other person or shareholder. The instrument appointing the proxy, duly completed and signed, must be deposited at the Registered Office not less than 48 hours before the commencement of the Meeting. A proxy does not have the right to speak at the meeting and can vote only on a poll.
3. Corporate members are requested to send a duly certified copy of the Board Resolution authorising their representatives to attend and vote at the meeting.
4. Members or their proxies should fill in the Attendance Slip for attending the Meeting.
5. In the case of joint holders attending the Meeting, only the holder whose name stands first in the order of names will be entitled to vote.
6. The Statutory Registers maintained under the Companies Act, 2013 (including Registers under Sections 170 and 189) will be available for inspection at the Registered Office during business hours (11.00 a.m. to 5.00 p.m.) on working days and at the venue of the Meeting.
7. Members are requested to forward their queries on the Annual Accounts or any other section of the Annual Report to the Compliance Officer at the Registered Office at least 7 days in advance to enable the Company to furnish appropriate details.
8. Members are requested to bring their copy of the Annual Report to the Meeting.
9. To prevent fraudulent transactions, Members are advised to exercise due diligence and to notify the Company / Registrar and Share Transfer Agent of any change in their address or of the demise of any Member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long; a periodic statement of holdings should be obtained from the concerned Depository Participant and the holdings verified from time to time.
10. Members holding shares in electronic form are requested to submit their PAN to their Depository Participants; members holding shares in physical form may submit their PAN details to the Company / RTA, as mandated by SEBI.
11. To support the "Green Initiative", the electronic copy of the Notice of the 5th AGM, inter alia indicating the process and manner of e-voting, together with the Attendance Slip and Proxy Form, is being sent to all members whose email IDs are registered with the Company / Depository Participant(s), unless a member has requested a hard copy. For members who have not registered their email address, physical copies are being sent in the permitted mode.
12. In compliance with Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is providing a remote e-voting facility through Bigshare Services Private Limited to enable Members to cast their votes electronically on all resolutions.

E-Voting Particulars

The remote e-voting period commences on Monday, 14th September, 2026 (9.00 a.m.) and ends on Wednesday, 16th September, 2026 (5.00 p.m.). The cut-off date for determining the eligibility of Members to vote is Thursday, 10th September 2026. Once a vote is cast, the Member shall not be allowed to change it. Members who have voted through remote e-voting may attend the Meeting but shall not be entitled to vote again.

The Board has appointed M/s M K Chokshi & Associates, Practising Company Secretaries, Ahmedabad, as the Scrutiniser for conducting the remote e-voting process in a fair and transparent manner. The Scrutiniser shall submit the report to the Chairman within the prescribed time, and the results, together with the Scrutiniser's report, shall be placed on the Company's website www.skpbearings.com and communicated to the Stock Exchange.

Detailed login and voting instructions for individual shareholders holding securities in demat mode (through CDSL / NSDL) and for other shareholders (through the Bigshare i-Vote portal at <https://ivote.bigshareonline.com>) are set out in the printed Notice circulated to Members. A route map to the venue is annexed to this Notice.

Bigshare i-Vote E-Voting System

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on Monday, 14th September 2026 (9.00 a.m.) and ends on Wednesday, 16th September 2026 (5.00 p.m.). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Thursday, 10th September 2026, may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Economic and Industry Overview

The bearings industry is closely linked to the health of the manufacturing, automotive, railways, industrial machinery and renewable-energy sectors. Demand for precision bearings continues to be supported by domestic capital-expenditure activity, the government's emphasis on manufacturing and infrastructure, and the ongoing shift towards import substitution in engineering components. Your Company operates in this environment as an IATF 16949-certified manufacturer, positioning it to serve quality-sensitive automotive and industrial customers.

Business Overview

SKP Bearing Industries Limited is engaged in the manufacture of bearings and operates on a multi-segment basis spanning manufacturing and power generation. The Group's operations are organised across the Mulchand plant and the Zammar plant (domestic manufacturing), the operations of the wholly-owned subsidiary in France, and power-generation assets comprising windmill, solar and PM-KUSUM installations. The renewable-energy assets also serve the Company's energy-conservation objectives by supplying part of its power requirement from alternate sources.

Financial Performance Review

On a standalone basis, revenue from operations increased to ₹ 8,070.08 Lakhs in FY 2025-26 from ₹ 5,260.08 Lakhs in the previous year, a growth of approximately 53%. Standalone profit before tax rose to ₹ 2,058.21 Lakhs (previous year ₹ 1,739.14 Lakhs) and profit after tax to ₹ 1,500.62 Lakhs (previous year ₹ 1,302.57 Lakhs). Basic and diluted earnings per share improved to ₹ 9.04 from ₹ 7.85.

On a consolidated basis, revenue from operations grew to ₹ 10,271.25 Lakhs from ₹ 7,032.69 Lakhs. However, consolidated profit after tax declined to ₹ 87.57 Lakhs from ₹ 297.35 Lakhs, mainly because the wholly-owned subsidiary in France recorded a net loss after tax of approximately ₹ 1,379.36 Lakhs during the year, which offset the strong standalone performance on consolidation. Management is reviewing the operations of the subsidiary with a view to improving its performance.

Segment-wise Performance

The Group's consolidated external revenue of ₹ 10,271.25 Lakhs is derived from its manufacturing and power-generation segments. The segment information disclosed with the consolidated financial statements shows that the domestic manufacturing operations (Mulchand and Zammar plants) were the principal contributors to revenue and segment profit, while the France operations recorded a segment loss for the year. The power-generation segment (PM-KUSUM and windmill & solar) made a positive contribution to segment results.

Key Financial Ratios

Ratio (Standalone)	FY 2025-26	Basis
Debt-Equity Ratio	0.53	Debt / Equity
Interest Coverage Ratio	7.54	EBIT / Interest
Debt Service Coverage Ratio	1.45	EBIT / (STB + Interest)

Opportunities and Threats

- **Opportunities:** growing domestic demand for precision bearings, import-substitution tailwinds, the Company's IATF 16949 quality certification, and the ability to cross-sell into automotive and industrial customers; captive renewable-energy generation supporting cost competitiveness.
- **Threats:** volatility in raw-material (steel) prices, foreign-exchange fluctuation affecting the France operations, competition from established domestic and imported bearing brands, and the performance risk associated with the overseas subsidiary.

Risks and Concerns

The Company is exposed to market, credit, operational and foreign-exchange risks. The most significant concern during the year was the loss recorded by the France subsidiary and the associated foreign-currency exposure. The Company mitigates its risks through its risk-management framework, credit controls, preventive maintenance of plant and machinery, and continuous monitoring of the subsidiary's operations.

Internal Control Systems and their Adequacy

The Company maintains internal financial controls commensurate with the size and nature of its operations. The controls are periodically reviewed by management, the internal auditor and the statutory auditors, and significant observations are reported to the Audit Committee. Management considers the internal financial controls over financial reporting to be adequate and operating effectively as at 31st March 2026.

Human Resources

The Company regards its employees as its most valuable asset and focuses on their engagement, development and retention. Industrial relations remained cordial throughout the year.

Cautionary Statement

Statements in this Management Discussion and Analysis describing the Company's objectives, projections, estimates and expectations may constitute "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may differ materially from those expressed or implied. Important factors that could influence the Company's operations include economic conditions affecting demand and supply, price conditions in the markets in which the Company operates, changes in government regulations, tax laws and other statutes, and other incidental factors.

Financial Performance Overview

Reporting Period : 1 April 2025 to 31 March 2026

Financial Progress Across India and International Operations

FY 2025-26 represented a year of significant business expansion for SKP Bearing Industries Limited. Revenue growth, capacity additions, export market penetration, and operational integration initiatives supported business activity across manufacturing facilities in India and France.

The commissioning of Plant III, increasing contribution of steel ball manufacturing, strengthening export relationships, and continued investments in manufacturing infrastructure contributed to higher turnover during the year.

While standalone operations delivered strong profitability growth, consolidated results were influenced by the ongoing integration and expansion phase of the France subsidiary, resulting in a temporary impact on group profitability.

INDEPENDENT AUDITOR'S REPORT : STANDALONE

**To the Members of
SKP Bearing Industries Limited
Report on the Audit of the Standalone financial statements**

Opinion

We have audited the standalone financial statements of SKP Bearing Industries Limited ("the Company"), which comprise the balance sheet as of 31st March 2026, and the standalone statement of profit and loss and standalone statement of cash flows for the year ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as on 31st March 2026, and its profit/loss and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statement section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of standalone financial statements of the current period. These matters were addressed in the context of the audit of the Standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no Key Audit Matters Reportable as per SA 701 issued by the ICAI.

Information Other than the Standalone financial statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the standalone financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss, (the Statement of Changes in Equity) and the Standalone Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B." Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and
 - (c) Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to the notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
 - v. The company has declared or paid dividend of Rs. 1.11 per equity share during the year, Provisions of section 123 of the Companies Act, 2013 are duly complied.
 - vi Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. The audit trail feature was implemented during the year and, accordingly, was not operational throughout the year. In view of the aforesaid, we have not expressed any opinion on the operating effectiveness of the audit trail feature. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the company to its directors during the year is in accordance with the provisions of the section 197 of the Act.

“Annexure A” to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the standalone financial statements of the Company for the period 01st April 2025 to 31st March 2026:

1) In respect of the Company’s Property, Plant and Equipment and Intangible Assets:

- a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and has maintained proper records showing full particulars of Intangible Assets.
- b) The Property, Plant and Equipment of the company been physically verified by the management in a phased manner, designed to cover all the items over a period of Three years, which in our opinion, is reasonable having regard to the size of the company and nature of its business. Pursuant to the program, a portion of the fixed asset has been physically verified by the management during the period ended and no material discrepancies between the book’s records and the physical fixed assets have been noticed.
- c) According to the information and explanation given to us, the title deeds of the immovable properties (other than properties where the company is the lessee, and the lease agreements are duly executed in favour of the lessee) are held in the name of the company.
- d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year ended.
- e) According to the information and explanation given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder during the year ended.

2) In respect of Inventory of the company:

- a) The management has conducted physical verification of inventory at reasonable intervals during the period ended, in our opinion, the coverage and procedure of such verification by the management is appropriate. As informed to us, any discrepancies of 10% or more in the aggregate for each class of inventory were not noticed on such verification.
- b) The company has been sanctioned working capital limits in excess of five crore rupees during the period, in aggregate, from banks or financial institutions on the basis of security of current assets (comprising inventory and net of trade receivables and payables), along with a charge on certain tangible assets. The quarterly statements of current assets filed by the company with the bank are in agreement with the books of accounts.

3) (a) As per information and explanation given to us and on the basis of our examination of books of account, the company has granted loan to its wholly owned subsidiary (WOS) ‘SKP Bearings Industries Limited France SAS’. Further, as per information and explanation given to us, the company has also granted loans including advances to its employees.

(B) The aggregate amount of Loan given to employees during the year is Rs.8,08,335/- and balance outstanding at balance sheet date is Rs.4,13,253/-

- (b) The terms and conditions for such above mentioned loans are not prejudicial to the interest of the company;
- (c) In respect of loans and advances in the nature of loans, the loan given to WOS is repayable within 10 years and repayment schedule are not define. With respect to loans and advances given to employees the schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts are regular;
- (d) As per information and explanation given to us, no amount is overdue for more than 90 days;
- (e) No loan or advance in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties;
- (f) The company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment;
- 4) In our opinion, In respect of loans, investments, guarantees, and security, the provisions of sections 185 and 186 of the Companies Act, 2013 have been duly complied with, wherever applicable.
- 5) The Company has not accepted any deposits or amounts which are deemed to be deposits under the directives of the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed thereunder, where applicable. Accordingly, the provisions of clause 3(v) of the Order are not applicable and complied with by the company.
- 6) To the best of our knowledge and belief, the Central Government has specified the maintenance of cost records under sub-section (1) of section 148 of the Companies Act, 2013, for the products/services of the Company. We have broadly reviewed the books of account maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- 7) a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the Company has been generally regular in depositing undisputed statutory dues including Goods and Services Tax, Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as of 31st March 2026, for a period of more than six months from the date on when they become payable.
- b) There are no dues in respect of Goods and Services Tax, provident fund, employees' state insurance, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess. and any other statutory dues that have not been deposited with the appropriate authorities on account of any dispute
- 8) According to the information and explanation given to us, company has no transactions, not recorded in the books of account have been surrendered or disclosed as income during the period ended in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

- 9) a) In our opinion, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the period.
- b) Company is not declared wilful defaulter by any bank or financial institution or other lender.
- c) According to the information and explanation given to us, term loans were applied for the purpose for which the loans were obtained.
- d) According to the information and explanation given to us, funds raised on short term basis have not been utilised for long term purposes.
- e) According to the information and explanation given to us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- f) According to the information and explanation given to us, the company has not raised loans during the period on the pledge of securities held in its subsidiaries, joint ventures or associate companies
- 10) a) The company has not raised any money by way of initial public offer, hence reporting under clause 3(x)(a) of the Order is not applicable.
- b) According to the information and explanations given to us, the Company had not made any preferential allotment of shares to Promoter or Non Promoters during the year.
- 11) a) According to the information and explanation given to us, any fraud by the company or any fraud on the company has not been noticed or reported during the period ended.
- b) According to the information and explanation given to us, no report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c) According to the information and explanation given to us, no whistle-blower complaints, received during the period ended by the company
- 12) Company is not a Nidhi company; accordingly, provisions of the Clause 3(xii) of the Order are not applicable to the company
- 13) According to the information and explanations given to us, we are of the opinion that all transactions with related parties are in compliance with Section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Standalone financial statements etc., as required by the Accounting Standards and the Companies Act, 2013.
- 14) According to the information and explanations given to us, the company has an internal audit system commensurate with the size and nature of its business.
- 15) According to the information and explanations given to us, we are of the opinion that the company has not entered any non-cash transactions with directors or persons connected with him and accordingly, the provisions of clause 3(xv) of the Order is not applicable.
- 16) According to the information and explanations given to us, we are of the opinion that the company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934 and the company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India, accordingly the provisions of clause 3(xvi) of the Order are not applicable.

- 17) According to the information and explanations given to us and based on the audit procedures conducted we are of opinion that the company has not incurred any cash losses in the period ended and the immediately preceding financial year.
- 18) According to the information and explanations given to us and based on our examination of the records of the Company, there has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- 19) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that company is incapable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- 20) In our opinion and based on our examination of books of accounts, the company has made necessary provision and spent toward corporate social responsibility in accordance with section 135 of the companies act.
- 21) The reporting under clause (xxi) is not applicable in respect of audit of standalone financial statements of the Company. Accordingly, no comment has been included in respect of said clause under this report.

“Annexure B” to the Independent Auditor’s Report of even date on the standalone financial statements of SKP Bearing Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **SKP Bearing Industries Limited** as of 31st March 2026 in conjunction with our audit of the standalone financial statements of the Company for the period ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Standalone Financial Statements

1 COMPANY INFORMATION

SKP BEARING INDUSTRIES LIMITED (erstwhile partnership firm till 5th January, 2022, previously known as SKP BEARING INDUSTRIES) is engaged into manufacturing of needle rollers, cylindrical rollers, pins and steel balls and other related products, generation of electricity through wind mill power projects and solar power projects.

2 SIGNIFICANT ACCOUNTING POLICIES

a Basis of Preparation

These standalone financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable. The standalone financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

b Significant accounting judgements, accounting estimates and assumptions

The preparation of standalone financial statements requires management to make certain judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities (including contingent liabilities) and the accompanying disclosures. Estimates and underlying assumptions are reviewed on an ongoing basis.

c Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, less accumulated depreciation / amortisation. Costs include all expenses incurred to bring the asset to its present location and condition.

d Intangible assets

Intangible assets are stated at cost, less accumulated amortisation. Costs include all expenses incurred to bring the asset to its present condition.

e Depreciation and Amortization

Depreciation has been provided on the property, plant and equipment on the SLM method and on intangible asset based on SLM method in accordance with the useful life of the Asset as prescribed under Schedule II of the Companies Act, 2013.

f Inventories

Inventories are valued at lower of cost or net realizable value as declared by the company which is in line with requirement of AS 2 "Valuation of Inventories". Stock is considered as taken Value and Certified by the company.

g Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

h Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised for when the Company has at present, legal or contractual obligation as a result of past events, only if it is probable that an outflow of resources embodying economic outgo or loss will be required and if the amount involved can be measured reliably.

Contingent liabilities being a possible obligation as a result of past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more future events not wholly in control

of the Company are not recognised in the accounts. The nature of such liabilities and an estimate of its financial effect are disclosed in notes to the standalone financial statements.

Contingent assets are not recognised in the standalone financial statements. The nature of such assets and an estimate of its financial effect are disclosed in notes to the standalone financial statements.

i Revenue recognition

"Revenue is recognized in accordance with Accounting Standard (AS) 9 on 'Revenue Recognition' using the accrual basis and the exclusive method, i.e., excluding taxes.

Effective 1st April 2025, the Company changed its accounting policy for revenue from renewable energy generation from a cash basis to an accrual (generation) basis.

Electricity generated and consumed internally is accounted for on a net basis. Surplus generation is recognized as other income, while any consumption shortfall is recorded as an electricity expense."

j Employee Benefit Expense

Post-employment benefit plans

Contributions to defined contribution retirement benefit schemes are recognised as expense when employees have rendered services entitling them to such benefits.

For defined benefit schemes (Gratuity), the Company provides benefits to its eligible employees through a Group Gratuity Scheme administered by the Life Insurance Corporation of India (LIC). The Company makes contributions towards the scheme and recognises such contributions as an expense in the Statement of Profit and Loss in the period in which the services are rendered. Accordingly, no separate actuarial valuation is conducted, and no additional provision for gratuity obligations is recognised in the balance sheet.

Other employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service. These benefits include compensated absences such as paid annual leave, overseas social security contributions, and performance incentives.

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date.

k Foreign currency transactions

Income and expense in foreign currencies are converted at exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities other than net investments in non-integral foreign operations are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses are recognised in the statement of profit and loss. Exchange difference arising on a monetary item that, in substance, forms part of an enterprise's net investments in a non-integral foreign operation are accumulated in a foreign currency translation reserve.

l Taxation

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled.

The Company has opted for the concessional tax regime under Section 115BAA of the Income-tax Act, 1961. Accordingly, the provisions relating to Minimum Alternate Tax (MAT) under Section 115JB of the Income-tax Act, 1961 are not applicable to the Company. Consequently, no MAT credit entitlement arises in respect of the Company.

Deferred tax expense or benefit is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-

setting advance tax paid and income tax provision arising in the same tax jurisdiction for relevant tax paying units and where the Company is able to and intends to settle the asset and liability on a net basis.

The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

m Earnings Per Share

Earnings per share is computed by dividing the net profit or loss for the period attributable to equity shareholders by the number of equity shares outstanding during the period.

INDEPENDENT AUDITOR'S REPORT : CONSOLIDATED

To the Members of

SKP Bearing Industries Limited

Report on the Audit of the Consolidated financial statements

Opinion

We have audited the Consolidated financial statements of SKP Bearing Industries Limited ("the Holding Company") and its subsidiary, SKP Bearing Industries Limited FRANCE (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated balance sheet as of 31st March 2026, and the Consolidated statement of profit and loss and Consolidated statement of cash flows for the year ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Group as on 31st March 2026, and its profit/loss and its cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated financial statement section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of Consolidated financial statements of the current period. These matters were addressed in the context of the audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no Key Audit Matters Reportable as per SA 701 issued by the ICAI.

Information Other than the Consolidated financial statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the other information. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Other Matter

- (a) We did not audit the financial statements of the wholly owned subsidiary incorporated in France, whose financial statements reflect total assets of Rs. 1,250.55 Lakhs as at 31st March 2026, total revenues of Rs. 2533.71 Lakhs, and net loss amounting to Rs. 1379.36 Lakhs for the year then ended, before adjustment of inter-company transactions, as considered in the consolidated financial statements. These financial statements have been audited by another auditor in accordance with accounting principles generally accepted in France (French GAAP), whose report has been furnished to us by the Management.
- (b) We draw attention to the fact that while the audit report and the principal financial statements (Balance Sheet and Statement of Profit and Loss) of the said subsidiary were provided in English by the component auditor, the notes to the accounts, including significant accounting policies, were provided in French. In the absence of a fully translated report and financial statements from the component auditor, we have relied upon an English translation of these notes to the accounts duly certified by the Management of the Holding Company for the purpose of our audit and consolidation.
- (c) Our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the report of the other auditor and the aforementioned management-certified translation of the notes to the accounts.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditor and the management-certified translation.

Responsibilities of Management and Those Charged with Governance for the Consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act and the applicable laws of their respective countries of incorporation for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the holding company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting

and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As the Group comprises the Holding Company and a wholly-owned subsidiary incorporated outside India, the reporting requirements under Section 143(3) of the Companies Act, 2013, and related rules are applicable solely to the Holding Company. The subsidiary incorporated outside India is governed by the laws of its respective country of incorporation and is not subject to the statutory reporting requirements under the Act. Accordingly, our reporting under this section is restricted to the Holding Company.

1. With respect to the matters specified in paragraph 3(xxi) of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, to the extent applicable, we report that the Group comprises the Holding Company and one wholly-owned subsidiary incorporated outside India. Since the subsidiary company is incorporated outside India, the Order is not applicable to it. Accordingly, reporting under clause 3(xxi) of the Order is not applicable in respect of the consolidated financial statements.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid

consolidated financial statements have been kept by the Group so far as it appears from our examination of those books.

- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March 2026 taken on record by the Board of Directors of the Holding Company, none of the directors of the Holding Company is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "Annexure A." Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Holding company's internal financial controls over financial reporting.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Group does not have any pending litigations which would impact its consolidated financial position.
 - ii)The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii)There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company.
- (iv) (a) The Management of the Holding Company has represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The Management of the Holding Company has represented, that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the Holding Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding whether recorded in writing or otherwise, that the respective company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and

- (c) Based on such audit procedures that the auditor has considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Holding Company has declared or paid dividend of Rs. 1.11 per equity share during the year. Provisions of section 123 of the Companies Act, 2013 are duly complied with by the Holding Company.
- vi Based on our examination, which included test checks, the Holding Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility. The audit trail feature was implemented during the year and, accordingly, was not operational throughout the year. In view of the aforesaid, we have not expressed any opinion on the operating effectiveness of the audit trail feature. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company to its directors during the year is in accordance with the provisions of the section 197 of the Act.

“Annexure A” to the Independent Auditor’s Report of even date on the Consolidated financial statements of SKP Bearing Industries Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of SKP Bearing Industries Limited (hereinafter referred to as “the Holding Company”) as of 31st March 2026 in conjunction with our audit of the consolidated financial statements of the Holding Company and its subsidiary (the Holding Company and its subsidiary together referred to as “the Group”) for the year ended on that date. As the Holding Company’s wholly-owned subsidiary is incorporated outside India, the reporting requirement under Section 143(3)(i) of the Act regarding the adequacy and operating effectiveness of internal financial controls over financial reporting is not applicable to such subsidiary. Accordingly, this report is restricted to the Holding Company.

Management’s Responsibility for Internal Financial Controls

The Holding Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Holding Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Holding Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company has, in all material respects, an adequate internal financial controls system over financial reporting with respect to the consolidated financial statements, and such internal financial controls over financial reporting were operating effectively as at 31st March 2026, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Consolidated Financial Statements

COMPANY INFORMATION

SKP BEARING INDUSTRIES LIMITED (erstwhile partnership firm till 5th January, 2022, previously known as SKP BEARING INDUSTRIES) is engaged into manufacturing of needle rollers, cylindrical rollers, pins and steel balls and other related products, generation of electricity through wind mill power projects and solar power projects.

2 SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

These Consolidated financial statements have been prepared in accordance with the Generally Accepted Accounting Principles in India ('Indian GAAP') to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, as applicable. The financial statements have been prepared under the historical cost convention on accrual basis, except for certain financial instruments which are measured at fair value.

b) Basis of Consolidation

The Consolidated Financial Statements (CFS) comprise the financial statements of the Company and its wholly-owned subsidiary incorporated in France (collectively referred to as "the Group"). The consolidation has been prepared on the following basis:

Consolidation Procedure: The financial statements of the Parent Company and its subsidiary have been combined on a line-by-line basis by adding together like items of assets, liabilities, equity, income, and expenses.

Non-Controlling Interest: As the subsidiary is a wholly-owned entity (100% holding), no adjustments, recognition, or presentation regarding Non-Controlling Interests (Minority Interest) are required.

Elimination of Intra-Group Transactions: All intra-group balances, intra-group transactions, and any resulting unrealized profits or losses are identified and eliminated in full at the component level prior to final consolidation.

Uniform Accounting Policies: The Consolidated Financial Statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. The Group's operations consist of routine transactions in the normal course of business, and there are no specific transactions that require divergent accounting treatments between the Parent Company and the subsidiary in France.

c) Entities included in Consolidation

The Consolidated Financial Statements include the financial results of the following wholly-owned subsidiary:

Name of Entity	Country of Incorporation	Ownership	Principal Business
SKP Bearing Industries Limited FRANCE	France	100%	Manufacturing of needle rollers, cylindrical rollers, pins and steel balls and other related products

Note: The financial reporting period of the subsidiary is identical to that of the Parent Company (April 1 to March 31), and no adjustments were required for differing reporting dates.

d) Significant accounting judgements, accounting estimates and assumptions

The preparation of consolidated financial statements requires management to make certain judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities (including contingent liabilities) and the accompanying disclosures. Estimates and underlying assumptions are reviewed on an ongoing basis.

e) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost, less accumulated depreciation / amortisation. Costs include all expenses incurred to bring the asset to its present location and condition.

f) Intangible assets

Intangible assets are stated at cost, less accumulated amortisation. Costs include all expenses incurred to bring the asset to its present condition.

g) Depreciation and Amortization

Depreciation has been provided on the property, plant and equipment on the SLM method and on intangible asset based on SLM method in accordance with the useful life of the Asset as prescribed under Schedule II of the Companies Act, 2013.

h) Inventories

Inventories are valued at lower of cost or net realizable value as declared by the company which is in line with requirement of AS 2 "Valuation of Inventories". Stock is considered as taken Value and Certified by the company.

i) Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amount of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents.

j) Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised for when the Company has at present, legal or contractual obligation as a result of past events, only if it is probable that an outflow of resources embodying economic outgo or loss will be required and if the amount involved can be measured reliably. Contingent liabilities being a possible obligation as a result of past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more future events not wholly in control of the Company are not recognised in the accounts. The nature of such liabilities and an estimate of its financial effect are disclosed in notes to the financial statements. Contingent assets are not recognised in the financial statements. The nature of such assets and an estimate of its financial effect are disclosed in notes to the financial statements.

k) Revenue recognition

Revenue is recognized in accordance with Accounting Standard (AS) 9 on 'Revenue Recognition' using the accrual basis and the exclusive method, i.e., excluding taxes. Effective 1st April 2025, the Company changed its accounting policy for revenue from renewable energy generation from a cash basis to an accrual (generation) basis. Electricity generated and consumed internally is accounted for on a net basis. Surplus generation is recognized as other income, while any consumption shortfall is recorded as an electricity expense.

l) Employee Benefit Expense**Post-employment benefit plans**

Contributions to defined contribution retirement benefit schemes are recognised as expense when employees have rendered services entitling them to such benefits. For defined benefit schemes (Gratuity), the Company provides benefits to its eligible employees through a Group Gratuity Scheme administered by the Life Insurance Corporation of India (LIC). The Company makes contributions towards the scheme and recognises such contributions as an expense in the Statement of Profit and Loss in the period in which the services are rendered. Accordingly, no separate actuarial valuation is conducted, and no additional provision for gratuity obligations is recognised in the balance sheet.

Other employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service. These benefits include compensated absences such as paid annual leave, overseas social security contributions, and performance incentives. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date.

m) Foreign currency transactions

Income and expense in foreign currencies are converted at exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities other than net investments in non-integral foreign operations are translated at the exchange rate prevailing on the balance sheet date and exchange gains and losses are recognised in the statement of profit and loss. Exchange difference arising on a monetary item that, in substance, forms part of an enterprise's net investments in a non-integral foreign operation are accumulated in a foreign currency translation reserve.

n) Taxation

Current income tax expense comprises taxes on income from operations in India and in foreign jurisdictions. Income tax payable in India is determined in accordance with the provisions of the Income Tax Act, 1961. Tax expense relating to foreign operations is determined in accordance with tax laws applicable in countries where such operations are domiciled.

Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which gives rise to future economic benefits in the form of adjustment of future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax after the tax holiday period. Accordingly, MAT is recognised as an asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with it will fructify.

Deferred tax expense or benefit is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and is likely to reverse in one or more subsequent periods. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off setting advance tax paid and income tax provision arising in the same tax jurisdiction for relevant tax paying units and where the Company is able to and intends to settle the asset and liability on a net basis.

The Company offsets deferred tax assets and deferred tax liabilities if it has a legally enforceable right and these relate to taxes on income levied by the same governing taxation laws.

o) Earnings Per Share

Earnings per share is computed by dividing the net profit or loss for the period attributable to equity shareholders by the number of equity shares outstanding during the period.

(j) Return on Capital employed	Earning before interest and taxes	0.11	0.11	-7.32%
Capital Employed				

Note:

Earning available for Debt Service = Net Profit before taxes + Non-cash operating expenses + Interest + other exceptional item

Debt service = Interest & Lease Payments + Principal Repayments

Capital Employed = Tangible Net Worth + Total Debt + Deferred Tax Liability

Reasons for Variances (If Variance is more than 25%)

Particulars	Reasons
Debt-Equity Ratio	The change in the ratio is due to an increase in total borrowings and decrease in Shareholders fund.
Debt Service Coverage Ratio	The change in the ratio is due to lower net profits alongside increased interest and debt repayment obligations.
Return on Equity Ratio	The change in the ratio is primarily due to a decrease in net profit after tax.
Inventory turnover ratio	The change in the ratio is due to an increase in total turnover proportionally exceeding the average inventory held.
Trade payables turnover ratio	The change in the ratio is due to a increase in total purchases during the year.
Net capital turnover ratio	The change in ratio is due to increase in Revenue from Operation in current year as compared to previous year, whereas the change in working capital is slightly lower.
Net profit ratio	The change in the ratio is due to a disproportionate increase in expenses—specifically a surge in purchases of stock-in-trade, higher depreciation, and increased finance costs—which outpaced the growth in revenue.

Notes:

1. 1. Identification of Segments: The Group has identified its operating segments based on specific manufacturing facilities and power generation units (Mulchand Plant, Zammar Plant, France Operations, PM Kusum, and Windmill & Solar). This disaggregation aligns with the internal reporting provided to the Chief Operating Decision Maker (CODM) for resource allocation and performance assessment.

2. Consolidation of Subsidiary: The operations of the wholly-owned subsidiary, SKP Bearing Industries Limited - France, have been fully consolidated into the segment matrix to provide a comprehensive view of the Group's total manufacturing and operational footprint.

3. Inter-Segment Eliminations: Inter-segment revenue of ₹ 1085.07 Lakhs represents internal transfers and transactions between the manufacturing units. These inter-company transactions have been fully eliminated upon consolidation to arrive at the external revenue and consolidated segment results.
