Dear Sir,

SUB: Clarification for Financial Results for the half year ended on September 30, 2022

As we hereby inform you that our Company is working in only one segment, there are no others segments for which we report or upload results separately. Further, we had already provided comparative figures for the profit & loss account for the period beginning from 06.01.2022 which ended on 31.03.2022 and the half year ended on 30.09.2022. As our Company is newly incorporated in the month of January 2022, there is not any previous years other than reported. Let us know, if any further action is required from our side to resolve the query, if it still persists.
