Slone Infosystems Limited

Slone Infosystems Secures ₹ 7 Cr Order for Centre of Excellence in Robotics, Drone & AI

Mumbai 21st June 2024 – Slone Infosystems Limited (NSE: SLONE), specialized in providing IT hardware solutions, including sales and rentals of laptops, desktops, servers, and network equipment, along with tailored IT services across India is pleased to announce that the company has secured a significant order valued at ₹ 7 Cr. This contract involves the supply of hardware and software, along with installation services, for the establishment of a Centre of Excellence dedicated to Robotics, Drone, and AI technologies.

This purchase order outlines that company will deliver and install the required hardware and software within a 7-day time frame from the date of the order. This order is a substantial step forward in advancing technological education and research in these cutting-edge fields.

This achievement underscores company's commitment to delivering high-quality technological solutions and services. The company is enthusiastic about the opportunity to contribute to establishing a Centre of Excellence dedicated to advancing Robotics, Drone, and AI technologies with innovation and excellence.

Looking forward, this achievement strengthens company's reputation and positions it as a reliable partner for future orders. It highlights the company's ability to excel in delivering large-scale orders, ensuring continued growth and success in the competitive IT industry.

Commenting on securing the order, Mr Rajesh Khanna - MD & Chairman of Slone Infosystems Limited, mentioned, "We are thrilled to have secured this significant order, which highlights our capabilities in providing comprehensive IT hardware and software solutions. This order, aimed at establishing a Centre of Excellence for Robotics, Drone, and AI technologies, represents a major milestone for Slone Infosystems. It underscores our commitment to advancing technological education and research in these innovative fields.

We are excited about the opportunity to contribute to this pioneering order and look forward to the positive impact it will have on technological innovation and education in India."

About Slone Infosystems Limited

With over 24 years of experience, Slone Infosystems Limited is one of the prominent IT hardware solutions companies based in India. Specializing in selling and renting top-tier IT equipment, we offer a comprehensive range of products from leading brands such as HP, Lenovo, and Dell.
