Subject: Clarification on Spurt in Volume - SMC Global Securities Limited by virtue of letter dated 15th October, 2024

Dear Sir,

In reference to the captioned and in pursuance of Regulation 30 of the SEBI (LODR) Regulations, 2015, we hereby submit the following reply.

Upon conducting a thorough interval review, we hereby confirm that there is no material information or developments within the company that would warrant a surge in trading activity. We would like to confirm that the Company is not aware of any information which is required to be disclosed under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and which has not already been disclosed to the stock exchanges. The Company is working in the normal course of its business and the sudden spurt in the volume of our security across the exchanges is due to fundamental trading without any involvement of the Company.

It is also important to note that while the trading volume of our security has experienced an increase, our overall trading volume remains minimalistic when compared to peer group companies. This suggests that the recent activity is more likely a result of market dynamics rather than any specific company-driven event.

Being a listed entity we have made and will continue to make disclosures in compliance with our obligations under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Request you to kindly take the above on record.

Thanking You,

For and on behalf of SMC Global Securities Limited
