Consumers other than Residential can set up solar projects on their roof / premises or can give their roof / premises on lease to third party for generation & consumption of power within or outside the premises

Surplus energy generated by any consumer shall be purchased by DISCOMs at rates specified in the policy

A group of consumers can set up solar projects for self-consumption as a collective ownership project and consume the generated solar energy in the ratio of ownership

Security deposit to be furnished by developer to DISCOMs for PPA, reduced from Rs. 25 lakh per MW to Rs. 5 Lakh per MW

New Solar Power Policy will be operative for 5 years i.e. up to 31-12-2025. Solar projects set up under this policy shall be eligible for benefits of this policy for a project life of 25 years
