Dear Sir,

Sub: Advisory on disclosure of material impact of CoVID–19 pandemic on listed entities under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('LODR Regulations'/'LODR')

In reference to the aforesaid circular dated 20th May, 2020 pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company hereby reports temporary suspension of its manufacturing unit and other business operations due to COVID-19 pandemic and Lock-down announced by the respective Governments (Central/State/Local) since 22nd March, 2020.

In this regard, we would also like to inform you that consequent upon receipt of approval of concerned authorities, the Company has resumed (partially) its manufacturing operations at said unit with all the necessary precautionary hygiene and safety measures, as applicable. Plant had started in only one shift with minimum labour capacity as per guideline issued by government. But the partial business activities from office has started from today i.e. 25th May, 2020.

The information as required are as follows :

S No.	Required Information	Particulars
1	Impact of the CoVID-19 pandemic on the business	CoVID-19 pandemic has very adversely effected us as all our business operations has came to a stand still position.
2	Ability to maintain operations including the factories/units/office spaces functioning and closed down	Factory is working with a very limited strength, our product falls under the essential commodity though we are facing other challenges like shortage of man power, non availability of store and spares, debtor realisation are not proper, interrupted transport facility, our administration office is completely closed, as non of our administration staff could come for work due to nation lock down, we are unable to get through our books of accounts.
3	Schedule, if any, for restarting the operations	It depends on government policy like when

		it would completely lift lock down, how COVID 19 spread will come under control and accordingly when the labourers would return.
4	Steps taken to ensure smooth functioning of operations	We have tried our very best to fight with covid -19 and we have strictly followed the governments guideline like we have closed our offices/factories due to lock down, since maximum labourers left at the on shut of lock down thereby resulting leading to social distancing at our work place, further we are also taking proper measures like giving masks to workers, providing hand sanitizing facility, doing floor sanitizing at regular interval on entire plant etc,
5	Estimation of the future impact of CoVID-19 on its operations	The future impact of Covid-19 depends up on the future spread of Covid-19 which simply means that if its spread could get controlled in near future we could try to normalise our operations soon but on the other hand if the same would further spread on a larger scale like in other countries, then it could take a year or years to get back to normalcy. More over in both the situations the future impact will adversely effect our operations.
6	Details of impact of CoVID-19 on listed entity's -	The share prices of all the listed entities are at all time low.
(a)	capital and financial resources	The financial aid announced by the government to MSME's, if received would definitely help us to survive in near future without any adverse effect on capital.
(b)	Profitability	It will get effected as we are operating with one third capacity or even less.
(c)	liquidity position	Our realisation are also adversely affected as major customer have shut down their operations due to nation lock down,
(d)	ability to service debt and other financing arrangements	Since we are working with very low capacity our realisation are also very low through our realisation we are only in position to meet our running expenses and we are un able to serve our debt and financial arrangements on time
(e)	Assets	None of our Assets got impaired due to CoVID-19 effect till date.
(f)	internal financial reporting and control	With limited man power we are managing our internal financial control, the entire control has been taken up by the management personally, Managing Director, KMP's are involved personally on implementation and execution of our internal control policies
(g)	supply chain	Adversely effected since Amid lockdown

		we need to strive hard to get the essentials moreover less availability of transport has led to increase in transportation cost.
(h)	demand for its products/services.	The demand for our product are high since it fall under an essential category, but we are un able to supply as per the requirement due to shortage of resources.
7	Existing contracts/agreements where non-fulfilment of the obligations by any party will have significant impact on the listed entity's business	Company have not entered in to any such contracts/ agreements.
8	Other relevant material updates about the listed entity's business	We are trying very hard to comply with all the regulatory requirements, but we are facing lots of challenges to complete them on time and still we are un able to do the same we request the board to grant us some more time for listed entity's regulatory compliance.

Above all we would also like to bring it to your kind notice that there was no electricity, water supply and all other essential services were also disrupted in the state West Bengal specially Kolkata till yesterday due to the severe cyclone 'AMPHAN' which hit the coasts on 20th May, 2020.Hence the Company was able to provide the aforesaid details by the day.

Please take note of the same and condone the delay, if any.

Thanking You,

**Yours faithfully,
For SMVD Poly Pack Ltd.**
