**NOTES :**

- The above unaudited standalone / consolidated financial results for the quarter & nine month period ended December 31, 2025 were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on February 10, 2026. These unaudited standalone financial results have been prepared in accordance with the Indian Accounting Standards ("Ind-AS") as specified under Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and the provisions of the Companies Act, 2013.
- The above unaudited standalone / consolidated financial result for the quarter & nine month period ended December 31, 2025 are reviewed by the Statutory Auditor of the Company, under regulation 33 of Securities & Exchange Board of India (Listing obligation and disclosure requirements) regulation, 2015, as amended. An unmodified review report was issued by them thereon.
- The above results comprise the results of Sadhana Nitro Chem Limited (Parent Company) and Anuchem B.V.B.A, Belgium (Wholly owned subsidiary).
- During the quarter & nine month period ended December 31, 2025 the Company recorded a loss, which compared to the previous quarter has shown a marginal decline. The operations giving a negative return are attributable to following primary factors: (a) Temporary Reduction in Operational Throughput: Though the operations have shown an improving trend during this quarter compared to the previous quarter, as explained during the previous quarter, the Company experienced certain technical constraints in its production facilities & liquidity challenges during last quarter, which has since been overcome and the operations will show recovery during the fourth quarter of this financial year. (b) Lower Export Offtake in Key Markets Due to External Trade Conditions: The tariff-related developments affecting the United States had created uncertainty around the import of finished goods into the American market. As a result, customers have adjusted their procurement schedules, including deferring certain planned deliveries until greater clarity emerges. This has also led some European customers to revise delivery timelines to the second half of the year in response to the shifting demand environment. The situation has since been stabilised after the trade agreement. These factors collectively & negatively affected the financial performance for the period of 9 months of the year. The Company expects improvements in subsequent periods as operational stability returns and wider market conditions become more predictable.
- On November 21, 2025, the Government of India notified provisions of the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 (Labour Codes), which consolidate twenty-nine existing labour laws into a unified framework governing employee benefits during employment and post-employment. The Labour Codes, amongst other things, introduced changes including a uniform definition of wages and enhanced benefits relating to leave. The Company has assessed the financial implications of these changes, which has resulted in an increase in gratuity arising out of past service cost by Rs. 23.65 lakhs. The Company continues to monitor developments pertaining to the Labour Codes and will evaluate the impact, if any, on the measurement of liabilities pertaining to employee benefits.
- The company / Group is primarily engaged in one business segment i.e. manufacturing of chemical intermediates, heavy organic chemicals and performance chemicals and it is primary segment.
- Previous period figures have been regrouped / reclassified, wherever necessary to conform to current period classification.
- The above is an extract of the detailed format of the financial results for the quarter & nine month period ended December 31, 2025 filed with Stock Exchange, under Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Regulations"). The complete format of the results is available on [www.bseindia.com](http://www.bseindia.com), [www.nseindia.com](http://www.nseindia.com) and on the company's website at [www.sncil.com](http://www.sncil.com).
