SUBJECT: Reasons for delay in Submission of financial results for the half year ended 30th September, 2020

With reference to SEBI Circular CIR/CFD/CMD-1114212018 dated November 19, 2018 regarding 'disclosure of reasons for delay in submission of financial results by the listed entities', we wish to inform to the investors of the Company and National Stock Exchange of India Limited that due to the reasons as mentioned below, the Company will not be able to submit the Un-audited Standalone Financial Results and Limited Review Report for the half year ended 30th September, 2020 by 14th November, 2020 i.e. the due date for submission of Financial Results for the relevant half year:

1. The city of Pune where the corporate office of the Company is located has been under lock down during the period under review. The Covid-19 pandemic continues to be rampant in the city. Due to work from home scenario and extended dates for completion of audit for previous year, there has been procedural delays in collating of the information necessary for the limited review of the financial results for the half year ended 30th September, 2020.
2. Interactions with the auditors and passing on information to auditors has been done remotely due to the pandemic scenario in the city. This has resulted in some amount of delays in collection and interpretation of the limited review related information.

Due to aforesaid reason Company will submit the result after due date. Request you to kindly take the same on record.
