Sub: Revised Intimation on "Disruption in Production."

Ref: Clause 36 of Listing Agreement

Dear Sir,

We have to draw your kind notice and of the investors that the company has received to the circular No R.4(2)99/MHA/IV dated 30.04.2013 from PESO on 2nd May, 2013 informing that they have made it mandatory that "All vehicles transporting explosives in the country shall at all times be escorted by armed guards to be provided by the District Suptd of Police/ Commissioner of Police in each district in which the vehicle move to ensure safe transit of explosives."

The company approached the authorities that in absence of mechanism to have escort all the time, it is not possible to implement these guidelines with immediate effect. The Manufacturer's and users made representation to the PESO and ministry highlighting difficulties in implementation. Government through PESO has made amendments in the notification on 9th May 2013, where manufacturers/sellers/users are required to give 3 days' advance notice to each district SP and make telephonic inquiry on the date of dispatch for providing the police escort for consignment and they also asked us to keep the record of the response of such inquiry. This amendment is also not practical to implement.

As a result of these circulars, we are unable to maintain our supplies to our important customers like Coal India Ltd, Singareni Collieries Co Ltd., Cement Industry and various other infrastructure projects and the productions of "Cartridge Explosives" is totally stopped from 03rd May, 2013 at our Chakdoh, Nagpur Plant. Explosive manufacturer's association Coal India, Singareni collieries, major infrastructure companies are taking up the matter with Government of India to formulate a workable model for providing police escort during movement of explosives.

This is for your information and record.

Kindly acknowledge the receipt of the same.

Thanking You

Yours truly,
For Solar Industries India Limited

(Khushboo Pasari)
Company Secretary
