Press Release

## Solex Energy Limited Reports 80% Revenue Growth, Strengthening Leadership in Solar Industry

Surat, Gujarat, April 3<sup>rd</sup>, 2025, [Solex Energy Limited](#) (NSE: [SOLEX](#)), one of India's trusted solar brand, continues its growth trajectory, recording an 80% increase in revenue over the last fiscal year (FY 2023-2024). The company has also maintained an extraordinary compound annual growth rate (CAGR) of 110%, further solidifying its position as a leading player in the renewable energy sector.

The audited revenue figures for fiscal year 2024-2025 will be announced soon, reflecting Solex's commitment to financial transparency and sustainable business practices. These unaudited consolidated figures highlight the company's strong market performance and growing demand for high-efficiency solar solutions, *with an 80% increase in revenue over the last fiscal year.*

Speaking on this milestone, [Chetan Shah, Chairman & Managing Director, Solex Energy Limited](#), stated, *"Our consistent growth is a testament to our relentless focus on innovation, quality, and customer trust. As we approach our 30<sup>th</sup> year in the industry, we remain dedicated to accelerating India's clean energy transition and expanding our global footprint."*

Solex's robust growth is driven by its state-of-the-art manufacturing capabilities, an expanding international market presence, and a commitment to sustainability. The company continues to strengthen its expertise in engineering, procurement, and construction (EPC), serving a diverse clientele across the industrial, commercial, and government sectors.

With a strong foundation and a forward-looking vision, Solex Energy Limited remains committed to driving the renewable energy revolution and contributing to a greener, more sustainable future.

### About Solex Energy Limited:

Headquartered in Surat, Solex Energy has been a pioneer in sustainable energy since 1995. As the first Indian solar brand listed on [NSE Emerge \(stock code: SOLEX\)](#), Solex is renowned for producing high-end photovoltaic modules at competitive prices and offering comprehensive EPC services.

Our global factory in Tadkeshwar, Gujarat, has a 1.5 GW production capacity for PV modules. Solex holds key certifications for domestic and international markets and exports to several countries. As a trusted OEM provider, we serve internationally recognised brands.

Built upon our core values of consistency, quality, and commitment, we transcend being merely a solar company to become your trusted partner in fulfilling your PV module and EPC requirements.
