Sub - Clarification on Discrepancy in Consolidated EPS – XBRL Filing

Dear Sir/Madam,

With reference to your communication dated January 12, 2026 regarding the Clarification for Financial results submitted to the Exchange on 10 November 2025, we would like to clarify that the said discrepancy occurred due to an inadvertent clerical error at the time of submission of the XBRL filing. There is no change in the underlying financials as approved by the Board and disclosed in the PDF financial results.

The error has since been rectified, and the revised XBRL filing with corrected Consolidated EPS has been duly submitted to the Exchange.

We regret the inconvenience caused and request you to kindly take the above clarification on record.

Thanking you.

Yours faithfully,
For, Solex Energy Limited
