Press Release

Solex Energy Limited Reports ₹260 Crore Revenue from Operations in Q1 FY26, Up 84% YoY

Surat, Gujarat, July 22, 2025: [Solex Energy Limited](#) (NSE: [SOLEX](#)), a leading manufacturer of high-efficiency solar PV modules and a trusted provider of turnkey EPC solutions, has reported a robust start to **FY26, achieving ₹260 crore** in consolidated revenue from operations in Q1 an impressive **84% year-on-year growth** compared to **₹141 crore** in the same quarter of the previous year.

Solex attributes this continued growth to its advanced GW scale manufacturing capabilities, robust industry partnerships, and its focus on delivering high-quality, customized solar solutions across rooftop, ground-mounted, and turnkey EPC projects.

Chetan Shah, Chairman & Managing Director, Solex Energy Limited, said *“Quarter after quarter, we are not just growing, we are evolving. ₹260 crore in Q1 is not merely a financial milestone; it reflects the trust our partners place in us and the commitment of our team to consistently raise the bar. At Solex, we don’t just chase numbers, we build impact, brick by brick, watt by watt. As we enter a decisive decade for clean energy, our present momentum is actively shaping the energy future.”*

Looking ahead, Solex remains focused on expanding its product portfolio, enhancing automation and efficiency across its manufacturing lines, and investing in next-generation module technology, and integrated renewable energy solutions.

About Solex Energy Limited:

Headquartered in Surat, Solex Energy has been a pioneer in sustainable energy since 1995. As the first Indian solar brand listed on [NSE Emerge \(stock code: SOLEX\)](#), Solex is renowned for producing high-end photovoltaic modules at competitive prices and offering comprehensive EPC services.

Our global factory in Tadkeshwar, Gujarat, has a 1.5 GW production capacity for PV modules. Solex holds key certifications for domestic and international markets and exports to several countries.

Built upon our core values of consistency, quality, and commitment, we transcend being merely a solar company to become your trusted partner in fulfilling your PV module and EPC requirements.
