Dear Sir/Madam,

**Subject: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

In accordance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Part A of Schedule III, we wish to inform you that the Company has received a communication from Sabarmati Gas Limited (SGL) stating that due to the ongoing conflict in the Middle East and its impact on global energy markets, R-LNG supplies have been severely impacted.

Accordingly, SGL has informed that the Daily Contracted Quantity of gas supply shall be provisionally restricted to 50% of the contracted quantity or the actual average daily volume drawn during February 2026, whichever is lower, with effect from 6<sup>th</sup> March, 2026 (06:00 hours) until further notice. This restriction may temporarily impact operations at the Company's Kadi plant, District Mehsana, Kadi, Gujarat ("Plant").

The Company also has limited gas supply arrangements with GAIL (India) Limited and considering this arrangement and available inventory, the Company does not foresee any material impact on its overall business operations at present. All other plants of the Company continue to operate normally.

The Company is closely monitoring the situation and will provide further updates in case of any material developments.

The aforesaid information may also be accessed on the website of the Company at [www.somanyceramics.com](http://www.somanyceramics.com).

This is for your information & records.

Thanking you,

Yours Faithfully,
