Dear Sir/Madam,

Subject: Update on temporary disruption of operations at Kassar Plant, Bahadurgarh, Haryana

In continuation of our earlier intimation dated 17th August, 2025, regarding the temporary disruption of operations at the Kassar Plant, Bahadurgarh, Haryana (“Plant”), we wish to provide the following update pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015:

The supply of natural gas to the Plant, which was earlier fully disrupted on a temporary basis due to the incident in GAIL’s Gauna - Bawana pipeline, has now been partially restored. Accordingly, the operations at the Plant have been resumed in part.

The Company is in the process of assessing other options for mitigating the disruption and to gradually scale up the production.

All other manufacturing locations of the Company remain fully operational. The sales will not be impacted by the ongoing disruption.

We will continue to keep the stock exchanges informed of any further material developments in this regard.

The aforesaid information may also be accessed on the website of the Company at www.somanyceramics.com.

This is for your information & records.

Thanking you,

Yours Faithfully,

For Somany Ceramics Limited
