Dear Sir/Madam,

Subject: Intimation of temporary disruption of operations at Kassar Plant, Bahadurgarh, Haryana.

In accordance with Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with Part A of Schedule III, we wish to inform you of a temporary disruption of operations at the Kassar plant, Bahadurgarh, Haryana ("Plant").

The Company has received communication from GAIL (India) Limited ("GAIL") stating that a gas leakage incident occurred at Chainage 17 km of GAIL's Gauna-Bawana pipeline due to heavy rainfall and flood-like conditions. This has resulted in the temporary stoppage of gas supply to our Kassar plant.

Our manufacturing operations at the Plant are dependent on the uninterrupted supply of natural gas from GAIL. Due to the current disruption, production at the Plant has been temporarily halted.

GAIL has communicated that restoration work on the affected pipeline has commenced, to resume the supply of gas. The Company is closely monitoring the situation and will provide further updates as and when operations at the Plant are resumed or if there are any material developments.

We would like to assure all stakeholders that the Company has sufficient stocks available and accordingly, no sales will be affected due to the temporary shutdown at the Plant. All other plants of the Company remain fully operational.

The aforesaid information may also be accessed on the website of the Company at www.somanyceramics.com.

This is for your information & records.

Thanking you,

Yours Faithfully,

For Somany Ceramics Limited
