Subject: Clarification for Financial results submitted to the Exchange dated 12-Nov-2024

Dear Sir,

With reference to your mail dated December 11, 2024 regarding clarification on submission financial results dated 12-Nov-2024

Reply to point no. 1:

The consolidated financial result includes results of the associates of Soma Textile & Industries Limited, consolidated in accordance with Indian Accounting Standards 28 'Investment in Associates and Joint Ventures.

Name of the company	Country of Incorporation	% shareholding of Soma Textile & Industries Limited	Consolidated as
Soma Textile FZC	Outside India	40%	Associate

An associate is an entity over which the Group is in a position to exercise significant influence over operating and financial policies. The considerations made in determining whether significant influence is being exercised are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its associate are accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

The Statement of Profit and Loss reflects the Group's share of the results of operations of the associate. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the Group recognises its share of any changes, when applicable, in the Statement of Changes in Equity.

Unrealised gains and losses resulting from transactions between the Group and the associate are eliminated to the extent of the interest in the associate.

If an entity's share of losses of an associate equal or exceeds its interest in the associate (which includes any long-term interest that, in substance, form part of the Group's net investment in the associate), the entity discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the entity resumes recognising its share of those profits only after its

share of the profits equals the share of losses not recognised.

The aggregate of the Group's share of profit or loss of an associate is shown on the face of the Statement of Profit and Loss.

Now, the share of losses of an associate exceeds its interest in the associate, So, the Company discontinues recognising its share of further losses. The amount of investment has been fully impaired hence Nil impact in Consolidated Result. If the associate subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised. **[Same will be reflected in Consolidated Results Note No. 8]**

So, there will be no difference in Standalone and consolidated figures.

For the purpose of Section 2(6) of the Companies Act, 2013,"associate company", in relation to another company, means a company in which that the other company has a significant influence, but which is not a subsidiary company of the company having such influence and includes a joint venture company. Explanation- For the purpose of this clause, "significant influence" means control of at least twenty per cent of total share capital and/or the ability to significantly influence the operational and financial policies of the company but not control them. The holding of Soma Textiles & Industries Limited in Soma Textile FZC is 40%. The Soma Textile FZC is consolidated as an associate by virtue of formers ability to influence the operational and financial policies whereby the share of the parent in the associate's net worth and profit has been picked up and accounted for under an independent line item in the "General Reserve", "investment" and "Statement of profit and loss". The excess of cost of investment in the associate and the share of net worth of the associate on the day of investing is reflected as "Goodwill.

Hope you will find the same in order.

Thanking you,

**Yours faithfully,
Soma Textiles & Industries Ltd.,**
