RISK FACTORS RELATING TO THE UNDERLYING TRANSACTION, THE OFFER AND PROBABLE RISKS INVOLVED IN ASSOCIATING WITH THE ACQUIRER AND PACs

The risk factors set forth below are limited to this Open Offer, the Underlying Transaction contemplated under the SPA, and the Acquirer and the PACs, and are not in relation to the present or future business operations of the Target Company or other related matters. These are neither exhaustive nor intended to constitute a complete or comprehensive analysis of all the risks involved in participation by the Public Shareholders in this Open Offer, or in association with the Acquirer and the PACs, but are merely indicative in nature. Public Shareholders are advised to consult their respective stockbrokers, financial advisors, legal advisors, investment consultants and/or tax advisors, for understanding and analysing all risks associated with participation in this Open Offer.

For capitalized terms used herein, please refer to the section on Key Definitions set out below

A. Relating to the Underlying Transaction:

1. The obligation of the Acquirer together with the PACs, and the Sellers to complete the Underlying Transaction is conditional upon fulfilment of the conditions set out in the SPA (unless waived in accordance with the SPA), as set out in paragraphs 3.1.9 of pages 15, 16, and 17 of this Draft Letter of Offer.
2. Receipt of all statutory approvals as set out in paragraph 8.18 titled as 'Statutory Approvals and conditions of the Offer' at pages 44 and 45 of this Draft Letter of Offer and those which become applicable prior to the completion of this Offer.
3. The Underlying Transaction is subject to completion risks as would be applicable to similar transactions.

B. Risks relating to this Offer:

1. The Offer is a mandatory offer to acquire 82,64,942 (Eighty Two Lakhs Sixty Four Thousand Nine Hundred and Forty Two) Equity Shares representing 25.02% (Twenty Five Point Zero Two Percent) of the Voting Share Capital of Soma Textiles & Industries Limited from the Public Shareholders.
2. As on the date of this Draft Letter of Offer, to the best of knowledge of the Acquirer and the PACs, there are no statutory approvals required to acquire the Equity Shares that are validly tendered pursuant to this Offer, or to complete this Offer. For further details kindly refer to paragraph 8.18 titled as 'Statutory Approvals and conditions of the Offer' at 44 and 45 of this Draft Letter of Offer. However, if any other statutory approvals are required prior to the completion of this Offer, then this Offer would be subject to the receipt of such other statutory approvals that may become applicable later.
3. In the event that either
 - (a) regulatory approval is not received in a timely manner,
 - (b) there is any litigation leading to stay on the Offer, or
 - (c) SEBI instructs the Acquirer and the PACs not to proceed with the Offer,

then the Offer process may be delayed beyond the schedule of activities indicated in this Draft Letter of Offer. Consequently, the payment of consideration to the Public Shareholders of the Target Company whose shares have been accepted in the Offer as well as the return of Equity Shares not accepted by the Acquirer may be delayed. In case of the delay, due to non-receipt of statutory approvals, as per

Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that the non-receipt of approvals was not due to wilful default or negligence or failure to diligently pursue such approvals on the part of the Acquirer and the PACs, grant an extension for the purpose of completion of the Offer subject to the Acquirer paying interest to the Public shareholders for the delay, as may be specified by SEBI.

4. Public Shareholders who tender their Equity Shares in acceptance of the Open Offer shall not be entitled to withdraw such acceptances during the Tendering Period, even if the acceptance of the Equity Shares in this Open Offer and/or payment of consideration is delayed. The tendered Equity Shares and documents will be held in trust by the Registrar to the Offer until such time as the process of acceptance of tenders and the payment of consideration is complete. The Public Shareholders will not be able to trade in such Equity Shares which have been tendered in the Open Offer. During such period, there may be fluctuations in the market price of the Equity Shares. Neither the Acquirer, the PACs nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares, both during the period that the Open Offer is open and upon the completion of the Offer, and each of them disclaims any responsibility with respect to any decision by any Public Shareholder on whether or not to participate in the Open Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Open Offer.
5. The acquisition of Equity Shares under the Open Offer from all Public Shareholders (resident and non-resident) is subject to receipt of all approvals required to be obtained by such Public Shareholders in relation to the Open Offer and the transfer of Equity Shares held by them to the Acquirer. All Public Shareholders (including residents, non-resident Indians, overseas corporate bodies or non-resident shareholders) must obtain all requisite approvals required, if any, to tender the Offer Shares (including without limitation, the approval from the RBI (as defined below)) held by them in the Open Offer and submit such approvals, along with the other documents required to accept this Offer. In the event such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Open Offer. Further, the NRI (as defined below) and OCB (as defined below) holders of the Equity Shares, if any, must obtain all requisite approvals required to tender the Equity Shares held by them in this Open Offer (including without limitation, the approval from the RBI or the relevant government authority) and submit copies of such approvals, along with the other documents required in terms of this Draft Letter of Offer. Further, if holders of the Equity Shares who are not persons resident in India (including NRIs, OCBs, and FIIs/FPIs (as defined below)) had required any approvals (including from the RBI or the Foreign Investment Promotion Board) in respect of the Equity Shares held by them, they will be required to submit copies of such previous approvals, to tender the Equity Shares held by them pursuant to this Open Offer, along with the other documents required to be tendered to accept this Open Offer. If such approvals are not submitted, the Acquirer reserves the right to reject such Equity Shares tendered in this Open Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on a repatriable basis or a non-repatriable basis.
6. The acquisition of Equity Shares by the Acquirer and the PACs pursuant to the Underlying Transaction and/or Open Offer may result in the public shareholding in the Target Company falling below the minimum public shareholding requirement as per Rule 19A of the SCRR read with Regulation 38 of the SEBI (LODR) Regulations. In such an event, the Acquirers will ensure that the Target Company satisfies the minimum public shareholding requirements in the manner and timeline prescribed under the SPA and/ or applicable law.
7. The DLOF/LOF, together with the DPS and the PA in connection with the Offer, have been prepared for the purposes of compliance with the applicable laws and regulations of India, including the SEBI Act and the SEBI (SAST) Regulations, and have not been filed, registered or approved in any jurisdiction outside India. Recipients of this DLOF/LOF, who are residents in jurisdictions outside India, should

inform themselves of, and comply with any applicable legal requirements. This Open Offer is not directed towards any person or entity in any jurisdiction where the same would be contrary to the applicable laws or regulations or would subject the Acquirer / PACs or the Manager to the Offer to any new or additional registration requirements.

8. No action has been or will be taken to permit this Offer in any jurisdiction where action would be required for that purpose. The LOF shall be sent to all Public Shareholders whose names appear on the register of members of the Target Company, at their stated address, as of the Identified Date, subject to Regulation 18(2) of the SEBI (SAST) Regulations. Provided that where local laws or regulations of any jurisdiction outside India may expose the Acquirer and the PACs, the Manager to the Offer or the Target Company, to material risk of civil, regulatory or criminal liabilities in the event the LOF in its final form were to be sent without material amendments or modifications into such jurisdiction, and the Public Shareholders resident in such jurisdiction hold Equity Shares entitling them to less than 5% (five percent) of the voting rights of the Target Company, the Acquirer and the PACs may refrain from sending the LOF into such jurisdiction. Provided further that, subject to applicable law, every person holding Equity Shares, regardless of whether he, she or it held Equity Shares on the Identified Date or has not received the LOF, shall be entitled to tender such Equity Shares in acceptance of the Offer.
9. The Acquirer, the PACs, the Manager and the Registrar to the Offer do not accept any responsibility for any loss of documents during transit (including but not limited to Form of Acceptance, delivery instruction slips, original share certificates, share transfer forms, etc.), and Public Shareholders are advised to adequately safeguard their interest in this regard.
10. The information contained in this DLOF is as of the date of this DLOF unless expressly stated otherwise. The Acquirer, the PACs and the Manager to the Offer are under no obligation to update the information contained herein at any time after the date of this DLOF.
11. Public Shareholders are advised to consult their respective stockbroker, legal, financial, investment or other advisors and consultants of their choice, if any, for assessing further risks with respect to their participation in this Offer, and related transfer of Equity Shares to the Acquirer. Public Shareholders are advised to consult their respective tax advisors for assessing the tax liability, pursuant to this Offer, or in respect of other aspects such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer along with PACs and the Manager do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Draft Letter of Offer.
12. This Offer is subject to completion risks as would be applicable to similar transactions.

C. Risks involved in associating with the Acquirer and PACs:

13.1. General

- 13.1.1. The basis of charge of Indian income-tax depends upon the residential status of the taxpayer during a tax year. The Indian tax year runs from April 1 until March 31 of the following year. A person who is an Indian tax resident is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the IT Act. A person who is treated as a non-resident for Indian income-tax purposes is generally subject to tax in India only on such person's India-sourced income (i.e., income which accrues or arises or deemed to accrue or arise in India) and also income received or is deemed to be received by such persons in India.
- 13.1.2. In case of shares of a company, the source of income from such shares will depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated". Accordingly, since the Target Company is incorporated in India, the Target Company's shares should be deemed to be "situated" in India and any gains arising to a non-resident on transfer of such shares should be taxable in India under the IT Act.
- 13.1.3. Non-resident Public Shareholders can avail benefits of the DTAA between India and the respective country of which the said shareholder is a tax resident subject to satisfying relevant conditions including but not limited to (A) conditions present in the said DTAA (if any) read with the relevant provisions of the Multilateral Convention to Implement Tax Treaty related Measures to Prevent Base Erosion and Profit Shifting ("Multilateral Instrument/ MLI") as ratified by India with the respective country of which the said shareholder is a tax resident, (B) non-applicability of General Anti-Avoidance Rule ("GAAR"); and (C) providing and maintaining necessary information and documents as prescribed under the IT Act.
- 13.1.4. The IT Act also provides for different income-tax regimes/ rates (including withholding tax obligations) applicable to the gains arising from the tendering of shares under the Offer, tax based on the period of holding, residential status, classification of the shareholder, nature of the income earned, etc.
- 13.1.5. The shareholders may be required to undertake compliances such as filing an annual income tax return, as may be applicable to different categories of persons, with the income tax authorities, reporting their income for the relevant year.
- 13.1.6. In addition to income tax, as the tendering of Equity Shares is being undertaken on recognized stock exchanges, such transaction will be chargeable to STT. STT is payable in India on the value of securities on every purchase or sale of securities that are listed on recognized stock exchanges. Currently, the STT rate applicable on the purchase and sale of shares on the stock exchange is 0.1% of the value of security transacted.
- 13.1.7. The summary of income tax implications on tendering of listed equity shares on recognized stock

exchanges in India is set out below. All references to equity share herein is to listed equity shares unless stated otherwise.

13.2. Classification of Shareholders: Public Shareholders can be classified under the following categories:

In this regard, Public Shareholders may also refer to Circular No.6/2016 dated February 29, 2016, issued by the Central Board of Direct Taxes (“CBDT”) in this regard. The nature of gains/loss in the foregoing cases will be as under:

- (a) Shares held as investment (income from transfer of such shares are taxable under the head “**Capital Gains**”).

13.4. Shared held as investment: As per the provisions of the IT Act, where the shares are held as investments (i.e., capital asset), income arising from the transfer of such shares is taxable under the head “Capital Gains”. Capital Gains in the hands of Public Shareholders will be computed as per the provisions of Section 48 of the IT Act and the rate of income tax would depend on the period of holding.

Further, Section 2(14) of the IT Act has provided for deemed characterization of securities held by FPIs as capital assets, whether or not such assets have been held as a capital asset; and therefore, the gains arising in the hands of FPIs will be taxable in India as capital gains.

13.4.1. Period of holding: Depending on the period for which the shares are held, the gains will be taxable as “short-term capital gains” (“STCG”) or “long-term capital gains” (“LTCG”):

Further, no deduction under Chapter VI-A would be allowed in computing LTCG subject to tax under Section 112A of the IT Act.
- (b) As per Section 112A of the IT Act, LTCG will be computed without considering the indexation benefit as per the terms of Section 48 of the IT Act. The cost of acquisition will be computed in accordance with the provisions of Section 55 read with Section 112A of the IT Act. In terms of Section 55 read with Section 112A of the IT Act, if investments were made on or before January 31, 2018, a method of determining the cost of acquisition of such investments has been specifically laid down such that gains up to January 31, 2018 are grandfathered (not taxed). To clarify, if the equity shares on which STT is paid were acquired prior to January 31, 2018, the cost of acquisition of such shares should be higher of:
 - (i) Actual cost of acquisition; or
 - (ii) Lower of: (A) fair market value as on January 31, 2018, and (B) full value of consideration received or accruing as a result of the transfer of the shares ('actual sale consideration').

- (c) If STT is not paid at the time of acquisition of the shares being acquired under the Open Offer and the same do not fall within the exceptions identified under CBDT Notification No. 60/2018 dated October 1, 2018, then the entire LTCG arising to the shareholder shall be subject to tax as under:
