# DLF Q1 profit up 18% on record bookings

SANKET KOUL  
New Delhi, 4 August

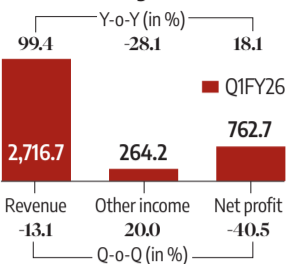

Realty major DLF reported an 18 per cent increase in consolidated net profit for the first quarter of FY26, driven by record-high new sales bookings and strong operational performance, underscoring buoyant demand in India's premium housing market.

The country's largest real estate developer by market capitalisation posted a net profit of ₹762.67 crore for the quarter ended June 30, up from ₹644.67 crore a year earlier. The company remains confident of achieving, and potentially exceeding, its full-year sales guidance of ₹20,000-22,000 crore.

Revenue from operations nearly doubled to ₹2,716.70 crore, up 99 per cent from ₹1,362.35 crore in the same quarter last year. Total income

climbed 42 per cent year-over-year to ₹2,980.8 crore, the company said in a BSE filing on Monday.

Earnings before interest, taxes, depreciation and amortisation (Ebitda) rose 6 per cent to ₹628 crore, compared with ₹597 crore in the year-ago period. Ebitda margin stood at 21 per cent.

DLF said new sales bookings surged 78 per cent year-over-year to ₹11,425 crore in the quarter, the highest-ever for the company. The growth was led by its luxury residential launch, Privana North, which sold out all 1,164 units within a week.

“Encouraging response to DLF Privana North reaffirmed sustained demand for high-quality developments backed by a strong brand and superior execution capabilities,” the company said.

It already has a strong pipeline of key projects coming up in Mumbai and Goa, along with the next phase to super luxury residential project, The Dahlias, coming up in Gurugram.

“We remain enthused on the prospects of the housing demand backed by a resilient economy, growth-oriented policies of the government and central bank,” the company said.

# Marico earnings up 8.2% at ₹513 crore

PRESS TRUST OF INDIA  
New Delhi, 4 August

Homegrown fast-moving consumer goods firm Marico on Monday reported an 8.23 per cent increase in consolidated net profit to ₹513 crore in the June quarter on the back of volume growth in India and robust performance in international markets.

The company posted a consolidated net profit of ₹474 crore in the year-ago period, Marico Ltd said in a regulatory filing. Consolidated revenue from operations during the quarter under review stood at ₹3,259 crore as against ₹2,643 crore a year earlier, it added.

Total expenses were higher at ₹2,659 crore as compared to ₹2,075 crore in the same period last financial year, the company said. In a statement, Marico said its consolidated and domestic revenue growth, as well as underlying volume growth in the India business, stood at multi-quarter highs. “The financial year has begun on a promising note for both our India and international businesses. The improving trajectory of our core portfolios, coupled with accelerated growth in foods and digital-first portfolio, have driven underlying volume growth in the India business closer to double digits,” Marico Ltd MD & CEO Saugata Gupta said.

# ‘One board seat can’t alter course’

Sona logs 14% fall in net

DEEPAK PATEL  
New Delhi, 4 August

A single director's nomination on a nine-member board, where six are independent, does not affect the functioning or control of the company, said Vivek Vikram Singh, managing director (MD) of Sona BLW Precision Forgings Ltd (Sona Comstar), calling the suggestion that it could do so “very bizarre” during a post-results analyst call on Monday.

Singh was responding to concerns raised after the recent appointment of Priya Sachdev Kapur, wife of late chairman Sunjay Kapur, as a non-executive director — a move that was opposed by Rani Kapur, mother of Sunjay Kapur. Singh told the analysts: “How one director's appointment, out of a nine-member board wherein six are independent board members, makes any difference to the running of the firm is very bizarre to me.”

Sona Comstar reported a 14.1 per cent Y-o-Y drop in consolidated profit to ₹121.7 crore for the first quarter of 2025-26, citing geopolitical pressures such as tariff issues with the US and rare-earth magnet crunch.

# Ather Energy’s losses narrow, revenue surges 79%

ANJALI SINGH  
Mumbai, 4 August

Electric two-wheeler maker Ather Energy narrowed its losses to ₹178 crore for the first quarter of the financial year 2026 (Q1FY26) from ₹183 crore in the

corresponding quarter last year, whereas the revenue from operations surged by 79 per cent year-on-year to ₹645 crore from ₹360 crore.

The company attributed the improvement to a shift towards more premium products in its portfolio,

favourable commodity costs, particularly battery cells, and its continued focus on research and development-driven value engineering.

Tarun Mehta, executive director and chief executive of Ather Energy, said: “This quarter saw significant

growth in our margins, demonstrating our strong focus on profitability. Even as we expand pan-India, our ASP has held steady, and our market share continues to grow. We are now scaling up quickly across central India, which has ramped up faster than expected.”
