Dear Sir/Madam,

Sub: Commissioning of Phase 2 of Synthetic Ester Manufacturing Plant at Mahad

The Company is pleased to announce the successful commissioning of Phase 2 of its Synthetic Ester manufacturing plant at its facility in Mahad. Phase 1 of the Synthetic Ester Plant was commissioned at the Company's Mahad Facility on 16th October, 2023.

This multipurpose plant designed to manufacture Synthetic Esters for Transformer Fluid applications, will also have the capability to manufacture Synthetic Esters for high performance Automotive and Industrial Lubricants.

Synthetic Esters, because of their high thermal stability and good dielectric properties, are also the preferred choice for use as Electric Vehicle (EV) Coolants, Immersion Cooling of batteries as well as Data Center Cooling Fluids.

This is for your information.

Thanking You,

Yours faithfully,

For **Savita Oil Technologies Limited**
