Energy storage awards plunge 65% in April-July

SAURAV ANAND
New Delhi, August 28

INDIA'S ENERGY-STORAGE PROJECT pipeline has slowed sharply in the first four months of FY27, with tendering declining 26% year-on-year to 8.4 GW during April-July from 11.4 GW, while awarded capacity plunged 65% to 2.4 GW from 6.9 GW in the year-ago period.

The slowdown in fresh awards comes even as deployment accelerates. India commissioned around 8,236 MWh of battery energy storage system (BESS) capacity during April-July, alongside 250 MW of pumped hydro storage. July alone saw approximately 710 MWh of ESS capacity commissioned.

According to a report by JMK Research & Analytics and IEEFA, standalone BESS

CAPACITY CRUNCH

■ Standalone BESS remained dominant procurement segment, accounting for **4.3 GW** of total tendered capacity

■ Two-hour storage continued to dominate tenders at about **4,448 MW**

■ On the manufacturing side, around **6.35 GWh** of downstream capacity entered operations in July

remained the dominant procurement segment, accounting for 4.3 GW, or around 51% of total tendered capacity, while firm and dispatchable

renewable energy contributed another 1.9 GW. Two-hour storage continued to dominate tenders at about 4,448 MW, although

four-hour systems are gaining traction as distribution companies increasingly seek storage capable of shifting daytime renewable generation over longer non-solar peak periods. July still saw significant fresh tendering activity.

Authorities issued 1,707 MW/3,933 MWh of project-development storage tenders, including six BESS, two renewable-plus-storage and one FDRE tender. Standalone BESS accounted for around 65% of the capacity.

Separately, 1,025 MW of EPC storage capacity was tendered during the month, led by PowerGrid's 750 MW/2,000 MWh standalone BESS procurement, which accounted for about 73% of the total. GAIL tendered a 600-MW solar project integrated with a 275 MW/550 MWh BESS.

India, Kuwait hold dialogue for defence cooperation

INDIA AND KUWAIT on Friday held a key dialogue during which the two sides agreed to bolster bilateral defence cooperation across a wide range of areas, including training, military exercises, industry, and research and development.

The inaugural meeting of the India-Kuwait Joint Defence Committee (JDC) was held in New Delhi.

The first meeting of the JDC marked an important step towards operationalising the objectives outlined in the Memorandum of Understanding (MoU) on Defence Cooperation between the two countries, signed during the visit of Prime Minister Narendra Modi to Kuwait in December 2024, the defence ministry said in a statement. —PTI

Govt seals deal to purchase Javelin missiles from US

AMRITA NAYAK DUTTA
New Delhi, August 28

INDIA HAS FINALISED a deal to buy the Javelin anti-tank guided missile system from the United States. The Indian Army on Friday signed a Letter of Offer and Acceptance to buy the ordnance through the US Foreign Military Sales process. Welcoming the decision, Washington said the "milestone" reflects the enduring partnership between the US and Indian armed forces, and opens the door for future collaboration between the defence industries.

"The landmark signature further strengthens the US-India Major Defence Partnership by demonstrating the depth of ongoing support to the Indian Army. It also opens discussions on mutually beneficial

co-production and additional opportunities to strengthen the defence industrial bases of both countries," the US Embassy said in a statement.

"This agreement reflects a defence partnership growing deeper, more capable, and more consequential," US Ambassador Sergio Gora said in a statement, adding that it

"demonstrates depth of US support and creates new opportunities for our defence industries to work together."

In a post on X earlier in the day, Gora announced that India was planning to purchase the "battle-tested Javelin anti-tank system", indicating that both countries were close to signing the deal.

India, Canada to seal trade deal by year end

PRESS TRUST OF INDIA
Washington, August 28

IN A BID to deepen bilateral economic and financial cooperation, India and Canada have said they are looking to conclude negotiations on a Comprehensive Economic Partnership Agreement by the end of 2026 and initiate talks on a Bilateral Investment Treaty at the earliest.

At the inaugural Economic and Financial Dialogue in Toronto on Thursday, Finance Minister Nirmala Sitharaman and Minister of Finance and National Revenue, Francois-Philippe Champagne of Canada agreed to support engagement between relevant authorities and stakeholders to explore opportunities relating to cross-border remittances and merchant payments.

They welcomed opportunities to broaden the use of UPI in Canada through partnerships with payment service providers, recognising that such efforts could contribute to faster payments and support bilateral trade, tourism, education, and the growth of enterprises in both countries, as per a joint statement issued after inaugural Economic and Financial Dialogue.

The dialogue builds on the

commitment made by Prime Minister Narendra Modi and Canadian Prime Minister Mark Carney during their meeting in New Delhi in March 2026 to strengthen bilateral economic and financial cooperation.

The two sides also reaffirmed their shared commitment to conclude negotiations for a Canada-India Comprehensive Economic Partnership Agreement by the end of 2026.

During the dialogue, the ministers exchanged views on global macroeconomic developments and domestic policy priorities and discussed ways to strengthen economic and investment ties.

Discussions are aimed at supporting financial and commercial linkages between the two countries and advancing the leaders' shared goal of expanding bilateral trade to CAD 70 billion, or around ₹4.65 lakh crore, by 2030.

India also expressed its readiness to initiate negotiations on a Bilateral Investment Treaty at the earliest, the joint statement said.

The ministers welcomed the growing investment relationship between the two countries and recognised the role of long-term institutional capital in strengthening bilateral economic ties.
