**Commenting on the performance, Mr. Vee Rajmohan, Chairman and Managing Director of Supreme Power Equipment Limited** said, “We are pleased to share that we delivered a steady financial performance during Q3 and 9M FY26, with consolidated 9M income and profitability standing at ₹111.38 Cr and ₹12.78 Cr respectively, reflecting continued operational discipline and execution strength.

During the quarter, we strengthened our southern market presence through multiple EPC order wins in Karnataka and secured distribution transformer orders from Tamil Nadu utility projects, highlighting sustained demand across transmission and distribution infrastructure. The MSME Ratna Award received during the quarter further reinforces our focus on engineering excellence, product quality, and manufacturing capabilities.

The Indian power infrastructure sector continues to witness steady growth driven by rising electricity demand, renewable energy integration, and ongoing investments in transmission and distribution networks. With a healthy order pipeline and favorable sector outlook, we remain focused on strengthening execution capabilities, expanding our product portfolio, and building long-term partnerships across utilities and EPC segments.”
