Current order book stands at over ₹590.06 Cr as on August 13th, 2026, providing strong execution visibility and supporting future revenue growth momentum.

Commenting on the performance, Mr. Vee Rajmohan, Chairman and Managing Director of Supreme Power Equipment Limited said, "Q1 FY27 has been an encouraging start to the year, with our topline growing by over 37% year-on-year, underpinned by healthy execution momentum and sustained demand for our transformer solutions. We are particularly pleased with the strength of our order inflows during the quarter, having secured 10 orders aggregating ₹195.64 Cr. Our entry into Maharashtra further broadens our geographic presence and reflects our continued efforts to build a stronger and more diversified customer base across key markets.

While margins witnessed some moderation during the quarter, profitability remained healthy and we continue to maintain a disciplined approach towards pricing, procurement and operational efficiency. As the scale of our operations increases, our focus remains on improving execution efficiencies and deriving greater operating leverage from our enhanced manufacturing capabilities.

Our current consolidated order book stands at approximately ₹590.06 Cr, providing healthy revenue visibility over the coming quarters. Looking ahead, our immediate priority is the timely execution of this order book while progressively ramping up utilisation at our new manufacturing facility. With enhanced capacity, a strong order pipeline and an expanding geographic footprint, we remain focused on scaling the business in a measured manner and delivering sustainable and profitable growth over the medium to long term."
