Supreme Power Equipment Secures ₹ 21 Cr Order for Distribution Transformers

Chennai, January 21st, 2025 – Supreme Power Equipment Limited (SPEL), (NSE Code: SUPREMEPWR), one of the leading manufacturers of power and distribution transformers, has announced a significant order win worth ₹ 21.30 Cr from a prominent Chennai-based electric company.

The order involves the manufacturing and supply of a range of high-capacity oil-cooled distribution transformers, specifically:

- **36 units** of 1600KVA oil-cooled distribution transformers,
- **19 units** of 2000KVA oil-cooled distribution transformers, and
- **2 units** of 2500KVA oil-cooled distribution transformers.

These transformers are designed to meet stringent performance standards, ensuring reliability and efficiency in power distribution for the client.

The delivery and execution of this project is scheduled to be completed within approximately nine months.

This new order further strengthens SPEL's position as a reliable provider of high-quality transformer solutions in the domestic market. With this addition, the company's current order book totals ₹91.51 Cr, comprising ₹ 84.51 Cr worth of orders for SPEL and ₹ 7 Cr for Danya Electric Company, highlighting strong customer trust and growing demand for its products.

The company's growing order book is a testament to its strong capabilities in manufacturing and timely project execution, contributing to the development of a sustainable and efficient energy ecosystem across India.

Commenting on the development, Mr. Vee Rajmohan, Chairman and Managing Director of Supreme Power Equipment Limited said, "We are pleased to secure this significant order, which reflects the confidence our customers have in our capabilities and the quality of our products. This new project aligns with our commitment to supporting the country's power infrastructure with reliable and efficient transformer solutions.

Our team is dedicated to executing this order within the stipulated timeframe, reinforcing our reputation for timely delivery and operational excellence. This achievement strengthens our order book and positions us for continued growth in the industry."

About Supreme Power Equipment Limited

Supreme Power Equipment Limited (Supreme, SPEL), originally founded as a partnership firm in 1994 under the name "Supreme Power Equipments" and later incorporated as company under the name "Supreme Power Equipment Private Limited" in 2005, is a Tamil Nadu-based company specializing in the manufacturing of power and distribution transformers. With 3 decades of industry experience, the company has emerged as a prominent supplier to local electric utilities. Supreme's foray into the windmill segment showcases its expertise in crafting transformers designed to withstand switching challenges and voltage fluctuations.

Renowned for quality and reliability, the company has a strong track record, having manufactured, and supplied over 17,000 units. With around ₹ 90 Cr order book, Supreme Power Equipment Limited continues to be a key player in the transformer industry, emphasizing innovation and precision in design.

The Company made its debut in the primary market with an IPO & listed on NSE Emerge in Dec 23.

In FY24, the company recorded a consolidated Revenue of ₹ 113.59 Cr, an EBITDA of ₹ 23.33 Cr, and Profit after Tax of ₹ 14.30 Cr.
