Company Secretary and Compliance Officer

## Supreme Power Equipment Secures ₹ 3.43 Cr Order from Solar Energy Firm

Chennai, March 25<sup>th</sup>, 2025 – Supreme Power Equipment Limited (SPEL), (NSE Code: SUPREMEPWR), one of the leading manufacturers of power and distribution transformers, announced the receipt of a new domestic order worth ₹ 3.43 Cr from a well-established Solar Energy Company based in Coimbatore. The order entails the manufacturing and supply of outdoor oil-cooled power transformers, specifically engineered to meet stringent technical specifications required for robust performance in renewable energy applications.

This project, scheduled for execution over the next 4-5 months, underscores SPEL's unwavering commitment to quality and technological excellence in the production of power transformers. With an order book now totalling ₹ 82.99 Cr, SPEL continues to enhance its role in the energy sector by providing advanced transformer solutions that are essential for efficient power transmission and distribution.

SPEL's focus on innovation and precision engineering in power transformer manufacturing is evident in this latest order. The company's dedication to delivering products that stand up to the demanding conditions of renewable energy systems reinforces its reputation as a reliable partner for organizations looking to optimize their energy infrastructure.

**On the receipt of the order, Mr. Vee Rajmohan, Chairman and Managing Director of Supreme Power Equipment Limited said,** "We are delighted to have secured this prestigious order from a respected solar energy company. This achievement reaffirms our commitment to delivering high-quality power transformers that meet the most stringent technical demands of the solar energy sector.

Our outdoor oil-cooled power transfupreormers are engineered for reliable performance, even in challenging conditions, showcasing our expertise in precision engineering. We remain focused on advancing sustainable energy solutions through our innovative transformer technology.

Furthermore, the strong inflow of orders underscores the market's confidence in our transformer solutions, reinforcing our growth outlook and industry leadership."

### About Supreme Power Equipment Limited

Supreme Power Equipment Limited (Supreme, SPEL), originally founded as a partnership firm in 1994 under the name "Supreme Power Equipments" and later incorporated as company under the name "Supreme Power Equipment Private Limited" in 2005, is a Tamil Nadu-based company specializing in the manufacturing of power and distribution transformers. With 3 decades of industry experience, the company has emerged as a prominent supplier to local electric utilities. Supreme's foray into the windmill segment showcases its expertise in crafting transformers designed to withstand switching challenges and voltage fluctuations.

Renowned for quality and reliability, the company has a strong track record, having manufactured, and supplied over 17,000 units. With around ₹ 80 Cr order book, Supreme Power Equipment Limited continues to be a key player in the transformer industry, emphasizing innovation and precision in design.

The Company made its debut in the primary market with an IPO & listed on NSE Emerge in Dec 23.

In FY24, the company recorded a consolidated Revenue of ₹ 113.59 Cr, an EBITDA of ₹ 23.33 Cr, and Profit after Tax of ₹ 14.30 Cr.
