Supreme Power Equipment Secures ₹61 Cr Landmark Order from Navratna PSU, NLC India

Chennai, May 28th, 2025 – Supreme Power Equipment Limited (SPEL), (NSE Code: SUPREMEPWR), one of the leading manufacturers of power and distribution transformers, is pleased to announce the receipt of a significant domestic order valued at ₹60.90 Cr from **NLC India Limited (NIL)**, a Navratna public sector enterprise under the Ministry of Coal. The order was awarded on May 26, 2025, and marks a major milestone as the **first-ever order from NLC India Limited** to Supreme Power Equipment.

The contract entails the supply of inverter duty transformers tailored to NIL's specifications. These transformers are critical components in renewable and thermal power applications, where they play a vital role in converting and conditioning power output for grid integration and stable distribution. The execution timeline for the order is approximately six months, underscoring SPEL's capability to deliver quality products within strict deadlines.

This prestigious order not only reflects NLC India Limited's confidence in Supreme Power Equipment's technical expertise and manufacturing capabilities but also sets the stage for a long-term strategic relationship. With this new order, **SPEL's consolidated order book has now crossed the ₹160 Cr mark, reaching ₹ 167.67 Cr** (As on 27th May 2025). This milestone reflects the company's growing business momentum and its strengthening position in the power equipment sector.

Notably, this engagement with NLC India Limited represents the largest single-value order in SPEL's history a testament to the company's continued growth, innovation, and market position in the transformer manufacturing segment.

On the receipt of the order, Mr. Vee Rajmohan, Chairman and Managing Director of Supreme Power Equipment Limited said, "We are extremely proud to have secured our first-ever order from a highly esteemed organization like NLC India Limited. This marks a significant milestone for Supreme Power Equipment Limited, not just because it is our maiden order from this prestigious Navratna client, but also because it represents the largest single-value order in our company's history.

We see this as the beginning of a long-term and strategic relationship with NLC India Limited, and we are fully committed to strengthening this partnership in the years ahead. Our dedicated team is already working diligently to ensure the supply of inverter duty transformers tailored to the customer's specific requirements, maintaining the highest standards of quality and reliability, and ensuring timely delivery within the committed schedule.

This order is a strong endorsement of SPEL's engineering capabilities and reinforces our vision of becoming a trusted partner in India's power infrastructure ecosystem."

About Supreme Power Equipment Limited

Supreme Power Equipment Limited (Supreme, SPEL), originally founded as a partnership firm in 1994 under the name "Supreme Power Equipments" and later incorporated as company under the name "Supreme Power Equipment Private Limited" in 2005, is a Tamil Nadu-based company specializing in the manufacturing of power and distribution transformers. With 3 decades of industry experience, the company has emerged as a prominent supplier to local electric utilities. Supreme's foray into the windmill segment showcases its expertise in crafting transformers designed to withstand switching challenges

and voltage fluctuations.

Renowned for quality and reliability, the company has a strong track record, having manufactured, and supplied over 17,000 units. With consolidated order book of ₹ 167.67 Cr (As on 27th May 2025), Supreme Power Equipment Limited continues to be a key player in the transformer industry, emphasizing innovation and precision in design.

The Company made its debut in the primary market with an IPO & listed on NSE Emerge in Dec 23.

In FY25, the company recorded a consolidated Revenue of ₹ 149.54 Cr, an EBITDA of ₹ 29.07 Cr, and Net Profit of ₹ 18.60 Cr.
