Dear Sir,

Sub: Intimation under Clause 36 of Listing Agreement.

Under the Modified New Pricing Scheme III, the Department under the Ministry of Chemicals and Fertilisers had issued a directive mandating all the Naptha-based Fertiliser Plants to switch over to gas and that the Naptha-based Plants, would not be eligible for any subsidy after June 30, 2014. This period was subsequently extended to September 30, 2014. The Company has made a representation to Gol to continue to disburse subsidy till the gas connectivity is achieved for SPIC and to consider the request favourably. The Company awaits further communication in this regard from the Ministry of Chemicals and Fertilisers.

The Stock Exchange would be informed on further developments.

Thanking You,

Yours faithfully,
For Southern Petrochemical
