**SPIC announces results for the third Quarter/nine months ended 31st December 2025
Achieved a turnover of ₹2372 crore and
PBT of ₹245 crore for nine months ended 31st December 2025**

13th February 2026 Chennai / Mumbai:

Financials:

On 13th February 2026, Southern Petrochemical Industries Corporation Ltd. (SPIC), one of India's pioneering agri-nutrient and fertilizer companies, announced its third quarter results for the period ended 31st December 2025.

Particulars	(Rs. in Crores)		
	Nine-months ended 31 st December 2025	Nine-months ended 31 st December 2024	FY 2024-25
	Un-audited	Un-audited	Audited
Revenue from operations	2371.81	2331.96	3086.33
Other Income	47.55	8.86	13.92
Profit Before Exceptional Item	244.74	182.02	202.66

During Q3 FY 2025-26, the Revenue from Operations was Rs.773 crore with a PBT of Rs.74 crore as against Rs.818 crore and Rs.54 crore, respectively for the corresponding quarter of last financial year.

The revenue from operations and profit for the quarter and nine months ended 31st December 2025 have been maintained at the same level as compared to results for the corresponding period of last financial year.

An amount of Rs.20.10 crore included in the other income for the nine months ended 31st December 2025 pertain to claim on Loss of profits from Insurance company due to shut down of operations from December 2023 to March 2024 as a result of floods.

Change in Management:

Mr. Manikkan Sangameswaran, (DIN: 00121885) was appointed as an Additional Director in the category of Independent Director (Non-Executive - Independent) on the Board of the Company effective today (13th February 2026) for a period of 5 years, subject to the approval of the shareholders of the Company.

Mr. K R Anandan (DIN: 00314502), Chief Financial Officer and Key Managerial Personnel of the Company has been elevated to the position of Whole-time Director (Finance) and CFO of the Company effective today (13th February 2026). He will hold the office as an Additional Director on the Board of the Company effective today (13th February 2026) and his appointment as Whole-time Director (Finance) and CFO for a period of 3 years would be taken up with the shareholders for their approval.

Leadership Comment:

Mr. Ashwin Muthiah, Chairman - SPIC, commented: This quarter's results clearly reflect our focus on performance-led growth. While sales declined marginally, profit has increased significantly compared to the same period last year. From using natural gas as a raw material to producing environmentally friendly products, we remain committed to sustainable, cost-efficient production that serves our farming community. Our future strategy continues to align with the government's initiative on organic and natural agri-inputs."

Fertiliser Industry Update:

According to the First Advance Estimates released by the Ministry of Agriculture and Farmers' Welfare, India's total foodgrain production for the Kharif season of FY26 is estimated at a record 173.33 million tonnes (MT). This represents an increase of 3.87 million tonnes over the previous year. In Q3FY26, the Indian agriculture sector demonstrated stability, supported by healthy reservoir levels and robust Rabi which increased the sowing area by 2.8 % YoY.

In 2025, nearly 73% of the country's total fertilizer requirement was met through domestic production, representing a significant milestone in achieving self-reliance. The recent inauguration of Namrup-IV Project increases the timely supply of Urea in North Eastern region. Looking ahead, the Government has prioritised long-term supply agreements for key raw materials and adopted a strategy of strategic diversification to safeguard against global uncertainties and supply disruptions, with a strong focus on fertilizer security and timely availability of nutrients to farmers.
