Subject- Reply to letter dated 18th January, 2022 w.r.t. price movement.

Ref- NSE/CM/Surveillance/11586

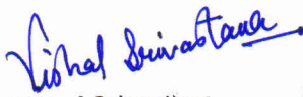

Dear Sir,

Your good office has noted a significant movement in the price of our security across Exchanges, in the recent past.

In this view, it is hereby clarified and submitted that company has no information whether being price sensitive or material in nature, which may attract price movement of the company. If company had any such information it would have been submitted to exchanges u/r 30 of SEBI (LODR) Regulations, 2015. The present price of the security is purely market driven.

Hope this satisfies the query.
