PRESS RELEASE

For Immediate Release

SPML Infra wins ₹207 Crore Order under Jal Jeevan Mission to Augment Water Supply in Rajasthan

Kolkata, India – December 6, 2025

SPML Infra Limited (NSE: SPMLINFRA, BSE: 500402), India's leading water infrastructure development company, has been awarded a prestigious ₹207.38 Crore (inclusive of GST) project in JV with Shree Hari Infraprojects Private Limited from Public Health Engineering Department (PHED), Jhalawar, Rajasthan. The project under the Jal Jeevan Mission (JJM) is part of Nonera Water Supply Project, aims to significantly strengthen water supply infrastructure across Kota & Bundi region in Rajasthan. It involves executing comprehensive construction and operation works, including 10 years of operations & maintenance (O&M).

Project Scope

The Jal Jeevan Mission project aims to upgrade water supply infrastructure and ensure safe, reliable drinking water across Kota and Bundi (Package-1). The scope includes the execution, testing, and commissioning of 3 intake wells, 3 water treatment plants with a combined 118 MLD capacity, 3 clear water reservoirs totaling 16.1 million litres, 52.6 km of pipelines from 600–1300 mm diameter with PLC and SCADA systems. The project will provide functional household tap connections for clean drinking water facility to over 1.03 million population

Mr. Abhinandan Sethi, Managing Director of SPML Infra Limited commented:

"We are proud to work with the Government of Rajasthan on this important Jal Jeevan Mission project that will bring safe drinking water to the people of Kota and Bundi. With long-term O&M responsibility, our role is not just to construct the project but to ensure consistent performance, resilience, and better health for the people we serve. As India moves toward the national vision of 'Viksit Bharat 2047', we remain committed to building sustainable water infrastructure that improves lives today and supports future generations."

About SPML Infra Ltd.:

SPML Infra Limited (CIN: L40106WB1981PLC276372) is a distinguished infrastructure development company with over four decades of expertise across power, water, environment, and technology sectors. With a pan-India presence, SPML has successfully executed over 700 projects, creating critical infrastructure, including drinking water facilities, wastewater treatment, integrated sewerage networks, municipal waste management, power transmission & distribution, substations, rural electrification, and smart city solutions. As India's leading water management company, SPML has contributed immensely to providing clean drinking water to over 50 million people across urban and rural areas. SPML is ranked **14th among the World's Top 50 Private Water Companies** as per **Global Water Intelligence (GWI), London** survey and is recognized as one of **India's 10 Best Infrastructure Companies**. As a publicly listed, ESG-compliant company, SPML Infra continues to drive innovation and growth in India's infrastructure landscape.
