SPML PRESS RELEASE

For Immediate Release

SPML Infra Received Construction Week India Awards 2013

New Delhi, Oct 04, 2013

SPML Infra Ltd has received two prestigious awards during the Construction Week India Awards 2013 ceremony held in Mumbai. The Third edition of Construction Week India Awards had nomination in 15 Award Categories & more than 390 Infrastructure and Real Estate Companies across India participated for various categories. The winners were chosen by a 15 member jury comprising of dignitaries and stalwarts from the infrastructure sector.

The awards presented to SPML are "**Water Project of the Year**" Award for the outstanding work to provide drinking water to more than a million people of 580 villages (177 in Jaisalmer and 403 in Barmer districts) together with 3 towns- Pokhran, Balotra and Siwana and also to cater the bulk water demands of Defence forces and Industries of the area in the state of Rajasthan. SPML has designed and constructed the infrastructure to meet the drinking water demands projected up to the year 2023 except for the raw water carrier between project outlet and water treatment plant, pump house, civil structure and raw water reservoirs as per the projected demands till the year 2038. Raw water is proposed to be drawn from Indira Gandhi Munak Canal (IGMC) through project outlet. Besides necessary arrangement for its treatment, storage capacity of raw water is also constructed to meet the drinking water demand in the course of 30 days of canal closure in continuous stretch every year.

The project consist of 3 Water Treatment Plants of 125.3 MLD combined capacity, 3 Clear Water Reservoirs of 10,850 KL capacity, 2 Raw Water Reservoirs of 300 Million Litres, 16 Pumping Stations, 397 Kilometers Water Pipeline, 2 Master Control Centre, Grid sub-stations, SCADA system and allied civil works with Operation & Maintenance for 10 years after the commissioning.

The "**Corporate Social Responsibility**" Award is recognition of SPML's approach to make enduring social impact through programs that build sustainability. SPML has created a comprehensive and integrated network to provide effective healthcare and eye care facilities to rural and economically deprived community and also supporting education and environmental initiatives all over the country.

SPML Infra is a leading infrastructure development company with over three decades of experience in implementing over 400 projects in water supply and management, wastewater treatment and reuse, sewer-line rehabilitation and power (RE) development, transmission and distribution in India. An ISO–9001: 2008 certified company, SPML is currently executing a number of water, wastewater, and power transmission & distribution projects. In the past two months, it has bagged new projects worth approximately Rs. 2575 crores and the company's order book presently stands at Rs. 7,000 crores.
