Sub.: Intimation of Commissioning of 3.2-Meter and 1.6-Meter Advanced Nonwoven Fabric Production Line by Wholly Owned Subsidiary.

Dear Sir/Madam,

With reference to our earlier communication dated August 11, 2025, we hereby inform you that Spunweb India Private Limited (SIPL) our wholly owned subsidiary, has successfully commissioned its 3.2-meter single beam nonwoven fabric production line and 1.6-meter single beam nonwoven fabric production line at its facility in Wankaner, Gujarat.

With this commissioning:

- SIPL's installed production capacity has expanded by approximately 53%.
- The group's total installed capacity has grown nearly 20%.
- SIPL's production infrastructure has been augmented by approximately 45,000 square feet, further strengthening its operational backbone.
- The expansion is expected to generate an approximate 20% increase in employment, reinforcing our commitment to socio-economic development alongside industrial progress.
- These state-of-the-art machines will not only enhance production capacity but also drive improvements in product quality, operational efficiency, and cost optimization. Furthermore, they will support the development of new product lines catering to high-demand sectors such as packaging, agriculture, and industrial applications.

This commissioning is aligned with the group's long-term growth strategy of scaling operations, embracing technological advancements, and addressing increasing market demands both domestically and internationally.

Kindly take the aforementioned submission on your records.

Thanking you,
Yours sincerely,

For Spunweb Nonwoven Limited
