1. Impact of the CoVID-19' pandemic on the business.	During lock down, two units of sulphuric acid plant, hydrogen bottling, sodium methoxide and sodium hydride plants were shut down as intimated earlier. Since we are under essential commodities category, other units of the Company operated with full capacity by following the STRICT Safety guidelines issued by concern authorities.
2. Ability to maintain operations including the factories/units/office spaces functioning and closed down	The operations were slightly impacted due to non-availability of few raw materials, non-movement of some finished products.
3. Schedule, if any, for restarting operations	One unit of Sulphuric acid plant, Sodium Hydride plant and one unit of Sodium Methoxide plant had not resumed operations and still under shut down.
4. Estimation for smooth functioning of operations.	We have taken all the necessary steps for smooth functioning of operations on immediately lock down announced by the State & Central Government Authorities. Taking care of all Employee's Health as utmost Priority. We are maintaining hygienic atmosphere in all the facilities by considering safety of employee's i.e. hand sanitizers, face masks and thermal screening, distribution of medicines to improve immunity, distribution of calcium hypo liquid to employees to use at their homes as disinfectant.
5. Estimation of the future impact of CoVID-19 on its operations	Expected no Significant impact of COVID-19 on the operations.

6. Details of impact of CoVID-19 on listed entity's

i.	Capital and financial resources	There is no impact on capital and financial resources of the Company.
ii.	profitability	Insignificant impact due to COVID pandemic.
iii.	liquidity position	The Liquidity position of the company is not effected
iv.	ability to service debt and other financing arrangements	The Company will be able to meet all its debts and other financial obligations in full and on time.
v.	assets	Based on the prudence, the Company estimates no impairment of the Assets.
vi.	internal financial reporting and control;	Based on internal controls, the company is closely monitoring the economic conditions and thus, internal financial reporting and control system is working satisfactorily.
vii.	supply chain;	Due to lockdown conditions, delays are affected sometimes.
viii.	demand for its products/services;	With closure of some of the consuming industries, the demand for some of the products of the company is affected.
