Dear Sirs,

Sub: Disclosure under Regulation 30 of SEBI LODR – Resumption of operations of the plant.

This has reference to our letter dated 25th March, 2020 informing the exchange about suspension of operations at the integrated facility of the Company, in view of nationwide lockdown declared by the Central Govt. to prevent the spread of Covid-19 pandemic and resultant supply chain disruptions across the country.

In this connection, we inform that the Company has now resumed production in a phased manner by keeping in place a well defined Standard Operating Procedure, duly considering the Govt. advisories and hygiene guidelines. Normal production of hot metal from the Blast Furnace and feeding into the DI pipe plant has commenced and at present all the plants are in operation.

We request you to treat this as disclosure under Regulation 30 of SEBI Listing Regulations and take the same on record.

Thanking you,

Yours faithfully,
For **SRIKALAHASTHI PIPES LIMITED**
