**Delivered on: 08.05.2026**

1. The Present application has been filed by Navin Khandelwal Resolution Professional for Shri Ram Switchgears Ltd. under Section 30(6) read with Section 31(1) of the Insolvency and Bankruptcy Code, 2016 ("IBC"),

seeking approval of the Revised Resolution Plan received on 19.06.2025 submitted by the Successful Resolution Applicant - **Prakash Asphaltings and Toll Highways (India) Limited ("SRA")**. Initially, the Resolution Plan had been approved by the Committee of Creditors ("CoC") with 93.81% voting share, pursuant to which IA No. 436 (MP) of 2025 was filed before this Adjudicating Authority seeking approval of the said Plan. Subsequently, IA No. 481 (MP) of 2025 in CP (IB) No. 22 (MP) of 2023 came to be filed by Religare Finvest Limited raising objections to the Resolution Plan. In view thereof, the matter was reconsidered by this Adjudicating Authority and the Resolution Plan was remitted back to the Committee of Creditors for reconsideration.

Thereafter, in the 22nd Meeting of the Committee of Creditors held on 03.02.2026, the Resolution Plan was reconsidered and re-approved unanimously with 100% voting share (96.94% during the meeting and 3.06% through e-mail confirmation), in compliance with the directions issued by this Adjudicating Authority.

2. The averments made by the Applicant/Resolution Professional in the present application and as presented by the Ld. Counsel are summarized as under: -

- 2.1 It is stated that the Corporate Insolvency Resolution Process ("CIRP") in respect of the Corporate Debtor was initiated vide order of this Adjudicating Authority dated 29.02.2024 in **C.P. (IB) No.22(MP)2023** filed by Mr. Peri Rama Krishna, Authorized Representative of M/s Small Industries Development Bank of India (Financial Creditor). Pursuant thereto vide the same order Mr. Rakesh Kumar Jindal was appointed as the Interim Resolution Professional ("IRP") of the corporate Debtor and Thereafter, the erstwhile IRP was replaced **by** Mr. Navin

Khandelwal (the Applicant) as Resolution Professional (RP) vide order dated 17.12.2024.

**2.2 Public Announcement:** Accordingly, the IRP made a public announcement on 03.03.2024 in the newspapers namely Raj Express (Hindi newspaper) and Times Nation (English Newspaper) thereby inviting claims from the creditors of the corporate debtor in terms of Regulation 6(1) of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016 ("CIRP Regulations"). The last date for submission of claims was 14.03.2024.

**2.3 Constitution of CoC and first CoC Meeting:** Pursuant to Public Announcement made, IRP had received the claims on or before the last date and accordingly the Committee of creditors ('CoC') was constituted on 21.03.2024. The first meeting of CoC was convened on 30.03.2024. The IRP received 20 claims up to 21.03.2024. Out of 20 claims received by the IRP, 3 claims have been admitted up to 21.03.2024 & 17 claims are under verification for want of additional information at that stage.

The first meeting of the CoC was duly convened and held on 30.03.2024. It is further noted that immediately prior to the commencement of the first CoC meeting, the claim of one financial creditor, namely AU Small Finance Bank Limited, stood satisfied, and the same was intimated to the IRP via email shortly before the meeting. Consequently, the CoC was constituted, and only two financial creditors formed part of the CoC at the time of the meeting.

Accordingly, the composition of the CoC and their respective voting shares, based on admitted claims, is as follows:

| <b>S. No.</b> | <b>Name of Financial Creditor</b>             | <b>Voting Share (%)</b> |
|---------------|---|-------------------------|
| 1             | Small Industries Development<br>Bank of India | 28.056%                 |
| 2             | Punjab National Bank                          | 71.943%                 |

**2.4 Appointment of Registered Valuers:** It is submitted that in the 2nd meeting of the Committee of Creditors (“CoC”) held on 26.04.2024, the agenda for appointment of registered valuers was placed before the CoC. In compliance with Regulation 27 read with Regulation 35 of the CIRP Regulations, the Interim Resolution Professional (“IRP”) is required to appoint two registered valuers for determination of the fair value and liquidation value of the Corporate Debtor.

Accordingly, after obtaining quotations from multiple registered valuers and upon due deliberations by the CoC, the IRP appointed the following registered valuers for conducting valuation of the assets of the Corporate Debtor, including land and building, plant and machinery, and securities/financial assets, for determination of the fair value and liquidation value of the Corporate Debtor:

**8. Applications Filed Challenging Present Resolution Plan:**

- 8.1** It is pertinent to note that an application being I.A. No. 481 (MP) of 2025 in C.P. (IB) No. 22 (MP) of 2023 was filed by a financial creditor, namely Religare Finvest Ltd., challenging the Resolution Plan on the ground that its security interest over a third-party mortgaged property had been improperly dealt with during the CIRP. This Adjudicating Authority, vide order dated 16.01.2026, considered the objections raised, particularly in relation to the inclusion, treatment, and non-valuation of third-party security.
- 8.2** The principal issues which arose for consideration were whether third-party assets mortgaged to a creditor could be included within the CIRP without the consent of such creditor, and whether non-valuation of such extraneous security would amount to material non-compliance under Section 30(2) of the Insolvency and Bankruptcy Code, 2016.
- 8.3** Upon consideration, this Adjudicating Authority held that the jurisdiction of the Resolution Professional is confined to the assets of the Corporate Debtor and that third-party assets cannot be treated as part of the CIRP estate without the consent of the concerned creditor. It was further observed that while the commercial wisdom of the Committee of Creditors is paramount, the same is not absolute and cannot be exercised in a manner that extinguishes or compromises the independent rights of creditors against third-party securities or guarantees, contrary to law.
- 8.4** It was also held that where a Resolution Plan contemplates extinguishment or compromise of third-party security, such security must necessarily be valued to enable the CoC to take an informed decision on the feasibility and viability of the plan. Non-valuation of such third-party/related-party security was held to constitute material non-compliance under Section 30(2) of the Code, as it

impairs proper assessment of recoverable value and may result in unjust enrichment.

**8.5** Accordingly, the application was allowed, and the Resolution Professional was directed to place the Resolution Plan before the CoC for reconsideration, limited to curing the defect pertaining to the treatment of such extraneous security.

- 11.** It is observed that the Resolution Plan was initially approved by the CoC with **93.81% voting share** upon conclusion of e-voting on 12.08.2025. However, pursuant to the order dated **16.01.2026** passed by this Adjudicating Authority in **IA No. 436 (MP) of 2025**, the Resolution Plan was remitted back to the CoC for reconsideration, particularly with regard to the treatment and valuation of third-party security.
  
- 12.** In compliance with the aforesaid directions, the Resolution Plan was reconsidered in the **22nd CoC Meeting held on 03.02.2026**, wherein the CoC, after due deliberations, approved the Resolution Plan with **100% voting share** (96.94% during the meeting and 3.06% through email confirmation).
  
- 13.** It is a settled position of law that this Adjudicating Authority does not sit in appeal over the commercial wisdom of the CoC. The jurisdiction of this Authority under Section 31 of the Code is limited to satisfying itself that the Resolution Plan meets the requirements specified under Section 30(2) of the Code and the CIRP Regulations. The commercial decision of the CoC, taken after due deliberation and with the requisite voting

| <b>S. No.</b> | <b>Parameter</b>             | <b>Findings Based on Record</b>  | <b>Analysis &amp; Satisfaction of Adjudicating Authority</b>  |
|---------------|------------------------------|--|---|
| 1             | <b>CIRP Cost Compliance</b>  | The Resolution Plan provides for payment of CIRP Costs amounting to ₹30,00,000 within 30 days from the Effective Date. It is further provided that any excess or shortfall in CIRP costs shall be adjusted from the amount payable to Financial Creditors. | This ensures full compliance with Section 30(2)(a) of the Code, as CIRP costs are accorded absolute priority. The adjustment mechanism adequately safeguards any variation, ensuring complete discharge of CIRP costs without affecting the viability of the Plan.  |
| 2             | <b>Operational Creditors</b> | The Plan provides 100% payment to workmen and employees, while other operational creditors are proposed to be paid ₹10.41 lakh within 2 months.  | The treatment complies with Section 30(2)(b) read with Regulation 38, as priority is accorded to workmen and employees. Further, under the Section 53 waterfall, the liquidation value (₹9.49 crore approx.) would be exhausted towards CIRP costs and secured financial creditors, leaving nil value for Operational |

|   |                                      |  | Creditors. Accordingly, the amount proposed under the Resolution Plan, though limited, is higher than the liquidation entitlement and is being paid in priority, thereby satisfying the requirements of Section 30(2)(b) of the Code. |
| 3 | <b>Financial Creditors Treatment</b> | Secured Financial Creditors are proposed to be paid ₹15.17 crore and Unsecured Financial Creditors ₹3.54 crore within 3 months. There are no dissenting financial creditors.               | The distribution has been approved with 100% voting share of the CoC, reflecting complete commercial acceptance.  |
| 4 | <b>Value Maximization</b>            | The Resolution Plan value is ₹19.88 crore as against the average Fair Value of ₹12.93 crore and average Liquidation Value of ₹9.49 crore, as certified in Revised Form H.                  | The Plan provides approx. 153.66% of Fair Value and 209.29% of Liquidation Value, thereby clearly demonstrating value maximization, which is a core objective of the Code.  |
| 5 | <b>Feasibility &amp; Viability</b>   | The Plan is proposed to be funded through internal accruals and financial strength of the Resolution Applicant. A clear implementation schedule and financial proposal have been provided. | The CoC, after due evaluation, has approved the Plan. The financial capability and structured execution mechanism establish that the Plan is feasible and viable as required under Section 30(4) of the Code.                         |
