- The Company is in the process of finalizing the accounts which is taking more time than expected due to difficulty in coordination with the respective persons of the respective departments as the company is still following work from home policy to avoid spread of COVID-19 in between the employees of the Company.
- Also considering the fact that the approval of Audited Financial results for the FY ended 31<sup>st</sup> March, 2021 got delayed due to the State wide lock down was Imposed by the Telangana Government from 12<sup>th</sup> May 2021 which was extended from time to time till 18<sup>th</sup> June 2021 with some relaxations for curbing the Increasing Covid Positive cases in the State which eventually resulted in delaying the Accounting and Audit process for the FY ended 31<sup>st</sup> March, 2021 and the same were approved on 20<sup>th</sup> of September, 2021 by the Board of Directors. Hence there was very less time for the company to update its accounts and provide the required information to the auditors to conduct the Audit for the Half year ended 30<sup>th</sup> September, 2020 and the same got delayed.
- The Company is working with Limited manpower who are working from home with limited access to the Information, which resulted in lack of coordination for completing the Audit within time.

Further, in accordance to the Company's internal Code of Conduct for Prevention of Insider Trading, the trading window for dealing in the securities of the Company was closed for the Designated Persons of the Company from 01<sup>st</sup> April, 2021 and will remain closed till the completion of 48 hours after the said financial results are made available to the public.

This is for your information and record.

Thank you.

Yours faithfully
