Sub: SSWL bags another big Exports order for Truck wheels plant

Dear Sir,

SSWL is glad to inform that it has bagged another big Exports order from Europe for its Truck wheels plant in Chennai. Total order size is 10,000 wheels to be dispatched as soon as possible and we expect to conclude a deal of 100,000 truck wheels within this month. Total value of this deal would be over Euro 3.9million.

SSWL is in touch with other large trailer makers in European territory and expects to get more orders in this segment in near future.

SSWL expects to increase its presence in Truck & Trailer market in the coming months given the world class manufacturing facility at it's Chennai plant

Kindly take the same on your record.

Thanking You.

Yours Faithfully,

For Steel Strips Wheels Limited
