Sub: SSWL receives increase in orders from VW Argentina

Sir,

Steel Strips Wheels Limited (SSWL) is pleased to announce substantial increase in Exports order for supply of Steel wheels for VW Argentina's requirements. Wheels are being supplied from SSWL's Chennai plant.

Total increase is from original order of 7,000 wheels to about 34,000 wheels in the shipment period of October 16 to March 2017. This is due to higher proliferation of the Steel wheels usage per vehicle at VW's plant in Argentina and is expected to prevail in future.

These additional orders will result in additional FOREX earnings of more than USD 600,000 for the above stated shipment period

Kindly take the same on your record.

Thanking You.

Yours Faithfully,

For Steel Strips Wheels Limited

(GM-Cum-Company Secretary)
