Dear Sir,

Steel Strips Wheels Limited (SSWL) is pleased to announce an Export order for supply of Truck/Trailer Steel wheels to the EU after market.

Total order value would be about USD 240K for supplying approx 6,000 wheels in a period of one year. This order is expected to increase in coming months. The wheels will be supplied from our Jamshedpur Plant

SSWL is heading towards generating a mutually beneficial long term business relationship with this After Market group. This compliments SSWL's strategy to be a strong player in Global Steel wheels after market.

Kindly take the same on your record please.

Thanking you.

Yours faithfully,
