SSWL Bags export order from ALCAR After-Market

We are enthused to announce that SSWL has bagged an Export order from ALCAR. The order will cater to the after-market demand. The order is worth 30000 wheels and will cater to passenger car segment. The order will serve the EU & Russian market. SSWL is expecting this order to be a repeat order and will add volumes to existing sales going forward.

SSWL is constantly looking to address global after market demand given the size of the market. With this order the effort to target After Market segment will get a boost and gain momentum. SSWL is increasingly looking at supplying the entire range of SSWL export product portfolio which shall cater to across segment vehicles.

Kindly take the same on your record please.

Thanking You.

Yours Faithfully,
For STEEL STRIPS WHEELS LIMITED
