JAN VISHWAS BILL REFERRED TO SELECT COMMITTEE

Govt proposes to amend 16 Acts

Penalty on NBFCs for minor lapses to be slashed

MUKESH JAGOTA
New Delhi, August 18

THE GOVERNMENT ON Monday introduced Jan Vishwas (Amendment of Provisions) Bill, 2025 in Lok Sabha that will amend 355 provisions of 16 central acts to enable ease of doing business and ease of living.

The Bill, introduced by commerce and industry minister Piyush Goyal, was referred to the Select Committee. The committee will submit its report on the first day of the winter session, according to a statement.

The acts that the Bill seeks to amend are administered by ten ministries and departments.

The amendment through the Bill proposes to insert a section in the RBI Act which says that if any non-banking financial company fails to produce any book, account or other document which it is required to do or answer any question put to it, a penalty not exceeding ₹1 lakh in respect of each offence may be imposed.

If it persists in such failure or refusal, a further penalty not exceeding ₹5,000 for every day after the first will be levied, during which the

ment Authority Act, The Electricity Act, The Micro, Small and Medium Enterprises Development Act and The Legal Metrology Act, among others.

The amendment through the Bill proposes to insert a section in the RBI Act which says that if any non-banking financial company fails to produce any book, account or other document which it is required to do or answer any question put to it, a penalty not exceeding ₹1 lakh in respect of each offence may be imposed.

Currently, these offences are punishable with a fine of ₹1,000.

Norms under Motor Vehicles Act to ease

NITIN KUMAR
New Delhi, August 18

THE CENTRE ON Monday unveiled a set of reforms to decriminalise provisions under the Motor Vehicles Act, 1988, with the broader aim of easing compliance, cutting red tape, and reducing day-to-day hardship for citizens dealing with vehicle-related documentation.

According to the draft proposals, one of the key changes will be in the area of vehicle registration. Instead of the current jurisdiction-specific rules that often complicate ownership transfers when vehicles move across districts, the law will be amended to allow state-wide vehicle registration, making it easier for owners to buy, sell, or shift vehicles within a state.

In the case of driving licences, the government has sought to simplify the renewal process. Under the proposed amendment, if an individual applies for renewal within 30 days of licence expiry, the new licence will be considered valid from the date of expiry, ensuring continuity and avoiding any penalty gap.

However, if the renewal application is delayed beyond the 30-day grace period, the licence will only be effective from the date of actual renewal, potentially creating a lapse in validity.

To support accident victims, the Bill also empowers the Motor Accident Claims Tri-

bunals to condone delays in filing claims for up to 12 months. Currently, strict timelines often result in victims or their families losing the opportunity to seek compensation due to procedural hurdles. This measure is expected to provide much-needed relief and flexibility in genuine cases.

The draft further seeks to extend several reporting deadlines. The period for reporting cancellation of vehicle registration will now be increased from 14 days to 30 days, offering more time for compliance. Similarly, the deadline to inform insurers about the transfer of insurance certificates will be doubled from 14 to 30 days, reducing the chances of coverage lapses during vehicle ownership transfers.

Officials said these changes are designed not only to simplify procedures but also to improve transparency, reduce unnecessary penalties, and bring greater citizen-friendliness to transport-related services.

IOC says it continues to buy oil from Russia

ARUNIMA BHARADWAJ
New Delhi, August 18

STATE-OWNED DOWNSTREAM MAJOR Indian Oil (IOCL) on Monday said it continues to purchase Russian crude oil in the current quarter, depending upon the economics.

However, the company noted that discounts on Russian barrels have narrowed significantly to just \$1.5-2 per barrel.

The comments come at a time when India faces the risk of a 50% tariff from the US. Washington has already announced an additional 25% tariff on the country for continuing to buy Russian oil.

In the first quarter of FY26, Russian oil accounted for 24% of IOCL's total imports, up from 22% in FY25.

"Last year in FY25, we almost got 22% of Russian crude. During Q1FY26, it was almost 24%. This quarter we are continuing to buy Russian crude depending upon the economics," the company said during an analyst call.

IOCL has lined up a capex plan of ₹34,000 crore for FY26, of which ₹14,000-15,000 crore

will be directed towards refinery operations, and ₹15,000-16,000 crore towards petrochemicals, marketing, pipelines, and city gas distribution.

The company is also expanding refining capacity through multiple projects. Its Panipat refinery expansion—from 15 million tonne per annum (MMTPA) to 25 MMTPA—is expected to be commissioned by year-end, along with the expansion of the Koyali refinery in Gujarat from 13.7 MMTPA to 18 MMTPA.

Meanwhile, IOCL's Barauni

refinery expansion in Bihar, which will raise capacity from 6 MMTPA to 9 MMTPA, is slated for completion by August 2026. The Board recently approved a revision in the project cost from ₹13,779 crore to ₹16,724 crore, citing higher costs of plant and machinery.

"As of now our Panipat and Gujarat refinery are scheduled to be commissioned at the end of this year and the Barauni refinery is expected to come by August 2026. The expansion will come in phases," the company said.

Subsidy outlay for UPI, RuPay biz may be revised upwards

THE ANNUAL SUBSIDY of ₹437 crore allocated in FY26 budget to support digital payments ecosystem through UPI and RuPay card transactions "may be revised upwards", economists at the country's largest lender SBI said on Monday.

Citing some estimates, the economists said participants of UPI (unified payment inter-

face) are bearing a cost of up to ₹5,000 crore to keep the online payment system running.

"The budget has earmarked ₹437 crore to promote... transactions in FY26, which may be revised upward. However, as per estimates ₹4,000 to ₹5,000 crore could be the cost that the participants are bearing," they said. —PTI

PM Viksit Bharat Rozgar Yojana portal launched

PRESS TRUST OF INDIA
New Delhi, August 18

THE GOVERNMENT HAS launched the Pradhan Mantri Viksit Bharat Rozgar Yojana (PMVBRY) portal on Monday, Union minister Mansukh Mandaviya said, urging employers and first-time employees to take benefit of the ₹1-lakh-crore central scheme.

The Union Cabinet approved the Employment Linked Incentive Scheme on July 1, 2025.

With an outlay of nearly ₹1 lakh crore, the central sector scheme aims to incentivise the creation of more than 35 million jobs in the country, over a period of 2 years starting August 1, 2025, to July 31, 2027, and the Union minister of labour and employment said in an interaction with the media.

All employers and first-time employees are covered under the scheme, he said, adding that one can avail the incentive benefit by either registering on the portal or by uploading their UAN number on the UMANG App.

While Part A of the scheme is for first-time employees, Part B supports employers, Mandaviya said.

Under Part A, a one-time incentive equivalent to an average one-month wage (Basic+DA) of up to ₹15,000 will be offered to first-time employees in two instalments, he explained.

The employer is entitled to get incentives under three slabs. If the salary of an employee is ₹10,000 per month, then the employer will get an incentive of ₹1,000.
