1) Under the Column "Value of transaction during the reporting period" the amount considered is pertaining to the reporting period (i.e. 01.10.2022 to 31.03.2023) only, whether the same stands as paid or payable as on close of said reporting period. Further, it is to be noted that any balance standing at the opening of the aforesaid reporting period and paid during the reporting period has not been considered in the Column "Value of transaction during the reporting period".

The Company has considered the value of related party transactions on accrual basis and accordingly value of the transaction (s) has been taken as and when accrue in their respective reporting period(s).

Consequently, closing balance stands Nil.
