Sub: SSWL bags another Caravan Wheel Order.

Dear Sir,

Steel Strips Wheels Limited (SSWL) is pleased to announce bagging of yet another Exports order for supply of Caravan Steel wheels for EU After market.

Total order value would be about USD 38K for supplying approx 7,000 wheels in a period of six months starting Jan 2016. This order is expected to repeat in coming months which may result in total year volume in the range of 20,000 wheels. Orders will be executed from SSWL's Chennai plant.

SSWL is closely working with this customer for development of new high volume runners for this market. Additional orders are expected in coming months. Above order supports SSWL's strategy to increase its presence in the high volume EU Caravan wheels market.

Kindly take the same on your record please.

Thanking you.

Yours faithfully,

For Steel Strips Wheels Limited
