SUB: SSWL RECEIVES NEW EXPORT ORDER

Sir,

Steel Strips Wheels Ltd (SSWL) is pleased to announce bagging an order from a leading supplier of steel wheels based in Austria catering to the large European after market for winter wheels.

This order is for approximately 19,000 wheels to be supplied in period of July – Nov 12 with a foreign exchange earning of nearly Euros 260,000.

SSWL is heading towards generating a mutually beneficial long term business relationship with this group to have a regular business from them.

Kindly take the same on your record please.

Thanking you.
Yours faithfully
For Steel Strips Wheels Limited
