Sub: AUDI NOMINATES SSWL FOR STEEL WHEELS EXPORT TO GERMANY

Sir,

We are pleased to announce that Audi, one of the highly quality conscious and leading German car maker, has nominated Steel Strips Wheels Ltd. (SSWL) for the supply of Steel Wheel Rims for it's A6 platform.

The awarded business has a potential of exports worth over Euro 20.28 million (equivalent to Rs. 137 Crore approx.) over a period of four years. The company expects to start supplies in 2012-13.

Kindly take the same on your record please.

Thanking you.
Yours faithfully
For Steel Strips Wheels Limited

Jindal
