Sub: **SSWL STARTS EXPORT TO BMW.**

Sir,

We are pleased to inform you that Steel Strips Wheels Limited has begun exports to BMW today from its Chennai factory.

BMW had nominated SSWL to supply spare wheel for its world renowned model MINI. Mini is currently made in Oxford plant and it is exported to about 70 countries worldwide.

SSWL shall export 48000 wheels annually for this particular model.

BMW has also agreed to consider SSWL for their future models where they are using steel wheels. SSWL has been nominated after clearing very stringent requirements of BMW on quality / testing parameters.

Kindly take the same on your records please.

Yours faithfully,

For STEEL STRIPS WHEELS LIMITED
