Sub: **SSWL Receives Export Order from SSang Yong Motors Company (SYMC) Korea.**

Sir,

We are delighted to announce that SSWL has received an Export Order from SSangYong Motors Company (SYMC), Korea. The order is for supplying Car Wheel Rims to Korea. The order size will be approximately $5Mn and will be served for a minimum of 5 years. SSWL will initially serve 20% (SoB) of the total demand and will gradually be ramped up along with the performance of the company. This order opens up another region for developing export market for SSWL and we are very confident that with this entry we will increase our footprint in the Korean wheel rim market.

SSWL is pleased to announce that by this order, SSWL becomes the first Indian Company to Supply components to SSangYong Motors Company in Korea and will be looking forward to extend this relationship for building a long term partnership with SSangYong Motors.

Kindly take the same on your record please.

Thanking You.

Yours Faithfully,
For STEEL STRIPS WHEELS LIMITED
