GACM Technologies Limited Successfully Completes ₹49.50 Crore QIP with Strong Participation from Mauritius-Based Foreign Institutional Investors

Hyderabad, Friday August 21, 2026: GACM Technologies Limited (BSE Code: 531723, NSE Symbol**:** GATECH) is pleased to announce the successful completion of its Qualified Institutions Placement ("QIP"), marking an important milestone in the Company's capital-raising Programme and strengthening its institutional investor base.

Through the QIP, the Company allotted **49.50 crore fully paid-up Equity Shares of face value ₹1 each at an issue price of ₹1 per Equity Share**, aggregating to **₹49.50 crore**.

The QIP witnessed participation from overseas institutional investors, including funds based in **Mauritius and registered under the applicable Foreign Portfolio Investor (FPI) framework**. The participation of these institutional investors represents a significant development for GACM Technologies and further enhances the Company's visibility among global investment institutions.

Major Institutional Allottees

QIP Allottee	Shares Allotted	Share of QIP
Minerva Ventures Fund	14.50 Cr	9.08%
Magnifica Global Opportunities VCC – MGO High Conviction Fund	14.00 Cr	8.76%
AL Maha Investment Fund PCC – Onyx Strategy	10.50 Cr	6.57%
Ebisu Global Opportunities Fund	10.50 Cr	6.57%
Total	49.50 Cr	30.98%

The participation of these overseas institutional funds is an important milestone for the Company. The successful allotment demonstrates the Company's ability to access institutional capital and provides a stronger foundation for the next phase of its business development.

Commenting on the successful completion of the QIP, Management, said:

“We are pleased to announce the successful completion of our Qualified Institutions Placement. The strong participation from institutional investors reflects their confidence in our business strategy, growth prospects and long-term vision. The capital raised will further strengthen our financial position and provide us with the necessary resources to pursue our strategic initiatives and create sustainable long-term value for all our stakeholders.”

The completion of the QIP also strengthens the Company's capital structure and provides additional financial flexibility to pursue its identified business objectives, expansion initiatives and strategic opportunities. The Company intends to deploy the proceeds in accordance with the stated objects of the issue and applicable regulatory requirements.

GACM Technologies remains focused on strengthening its technology-led operations, expanding its business opportunities and building a broader platform across its identified growth areas. The Company believes that a strengthened capital base, coupled with institutional participation, will provide greater flexibility in pursuing these objectives.

The Company also views the participation of overseas institutional investors as a positive development in its continuing engagement with the institutional investment community. The participation of Mauritius-based investment funds provides further depth to the Company's shareholder base and enhances its institutional visibility.

The Company remains committed to prudent capital allocation, transparency, strong corporate governance and full compliance with all applicable statutory and regulatory requirements.
